## LIQUID ROTENONE/PYRETHRINS SPRAY

**PRECAUTIONARY STATEMENTS**

**HAZARDS TO HUMANS AND DOMESTIC ANIMALS**

**WARNING**

May be fatal if swallowed. Harmful if absorbed through skin. Causes skin irritation. May cause dizziness or headache. Eye injury. Wear safety glasses. Do not get in eyes, on skin, or on clothing. Avoid breathing spray mist. Wash thoroughly with soap and water after handling. Remove contaminated clothing and wash before reuse.

**STATEMENT OF PRACTICAL TREATMENT**

**If swallowed:** Call a physician or Poison Control Center. Drink promptly a large amount of milk, egg or tea (strong solution), or, if these are not available, drink large quantities of water. Avoid alcohol. Do not induce vomiting. This product contains aromatic petroleum solvent. Aspiration may be a hazard.

**If in eyes or on skin:** Flush with plenty of water. Get medical attention if irritation persists.

**ENVIRONMENTAL HAZARDS**

This product is toxic to fish. Do not apply directly to water. Do not contaminate water by cleaning of equipment or disposal of wastes.

**PHYSICAL AND CHEMICAL HAZARDS**

**DO NOT USE OR STORE NEAR HEAT OR OPEN FLAME**

**DIRECTIONS FOR USE**

It is a violation of Federal law to use this product in a manner inconsistent with its labeling.

**STORAGE AND DISPOSAL**

Store in original container in a cool, dry place, and in an area inaccessible to children and pets. Securely wrap container in several layers of newspaper and place in trash collection.

Mix this product with water as directed in the following chart to control listed pests of ornamentals, vegetables, fruits and berries. Use a hand or automatic sprayer as a coarse spray. Use a fine mist spray to give complete coverage of the plant.
