	TERM OF ISSUANCE	
	NAME OF PESTICIDE PRODUCT Bonide All Purpose 25% WP Fungicide Spray Powder	

NAME AND ADDRESS OF REGISTRANT (Include ZIP code)

Bonide Chemical Company, Inc.
2 Wurz Avenue
Yorkville, NY 13495

Handwritten: 186/162739, 17/1

NOTE: Changes in labeling formula differing in substance from that accepted in connection with this registration must be submitted to and accepted by the Registration Division prior to use of the label in commerce. In any correspondence on this product always refer to the above U.S. EPA registration number.

On the basis of information furnished by the registrant, the above named pesticide is hereby Registered/Reregistered under the Federal Insecticide, Fungicide, and Rodenticide Act.

A copy of the labeling accepted in connection with this Registration/Reregistration is returned herewith.

Registration is in no way to be construed as an indorsement or approval of this product by this Agency. In order to protect health and the environment, the Administrator, on his motion, may at any time suspend or cancel the registration of a pesticide in accordance with the Act. The acceptance of any name in connection with the registration of a product under this Act is not to be construed as giving the registrant a right to exclusive use of the name or to its use if it has been covered by others.

This product is registered in accordance with the amended provisions that you:

1. Supply and/or cite all data required for the registration of your product under FIFRA sec. 2(b)(2) which the Agency will compare registrants of similar products to submit data.
2. Make the label language in the following paragraphs and list for comment:
 - a. Add to phrase "Use directions" the word "use."
 - b. Change the active ingredient to read: "azoxystrobin (azoxystrobin)." (Note: azoxystrobin is not a fungicide.)
 - c. Change "wash after handling" in paragraph 4 to read: "Wash thoroughly after handling and before eating or drinking."
 - d. Insert "or convulsing" between "nausea" and "vomiting" at the end of the "First Aid" section.

ATTACHMENT IS APPLICABLE

SIGNATURE OF APPROVING OFFICIAL	DATE
---------------------------------	------

- e. Add to Directions for Use: "Do not use tablespoons and measuring cups for food uses."
 - f. Add "using appropriate dusting equipment" after "Dust dry bulbs" and before "at time of planting."
3. Submit five (5) copies of your final printed labeling before you release the product for shipment. Refer to the A-79 Enclosure for a further description of final printed labeling.

If these conditions are not complied with, the registration will be subject to cancellation in accordance with FIFRA sec. 6(e). Your release for shipment of the product constitutes acceptance of these conditions.

A stamped copy of the label is enclosed for your records.

BONIDE LINDANE 25% W INSECTICIDE SPRAY POWDER
EPA Reg. No. 4-**PRECAUTIONARY STATEMENTS****HAZARDS TO HUMANS AND DOMESTIC ANIMALS****WARNING**

May be fatal if swallowed. Avoid contact with skin and eyes. Avoid breathing dust, vapor or spray mist. May be absorbed through skin. Wash after handling. Avoid contamination of food and feedstuffs. Children and domestic animals should not be permitted to contact treated areas until spray has dried. Wear long-sleeved shirt, long pants, waterproof gloves, full foot covering and head covering during application. Wash contaminated clothing after use. Do not allow children to handle or apply this product.

STATEMENT OF PRACTICAL TREATMENT

- If swallowed** - Call a physician or Poison Control Center immediately. Drink one or two glasses of water and induce vomiting by touching the back of throat with finger. Repeat until vomit fluid is clear. Do not induce vomiting or give anything by mouth to an unconscious person.
- If inhaled** - Remove victim to fresh air. Apply artificial respiration if indicated.
- If on skin** - Remove contaminated clothing and wash affected area with soap and water.
- If in eyes** - Flush eyes with plenty of water. Call a physician if irritation persists.

ENVIRONMENTAL HAZARDS

This product is toxic to fish and wildlife. Keep out of any body of water. Do not contaminate water by cleaning of equipment, or disposal of wastes. Do not apply when weather conditions favor drift from treated areas. This pesticide is highly toxic to bees exposed to direct treatment or to residues remaining on the treated area. Do not apply when bees are actively visiting the crop, cover crop, or weeds blooming in the treatment area. Applications should be timed to provide the maximum possible interval between treatment and the next period of bee activity.

DIRECTIONS FOR USE

It is a violation of Federal law to use this product in a manner inconsistent with its labeling.

STORAGE AND DISPOSAL

Do not contaminate water, food or feed by storage or disposal. Do not reuse empty container. Wrap securely and place in trash collection.

BONIDE LINDANE 25% W INSECTICIDE SPRAY POWDER
EPA Reg. No. 4-

Bonide Lindane 25% W is a special wettable powder recommended for use on the specified vegetables, shade trees, nursery and ornamental plants.

CABBAGE, CAULIFLOWER, LETTUCE: For control of aphids and thrips - Spray at the rate of 1 tablespoon per gallon of water. Make weekly applications or as needed. Do not apply to cabbage and cauliflower after edible parts start to form. Do not apply to lettuce after seedling stage. Do not apply to head lettuce after heads start to form.

CUCUMBER, PUMPKIN, SQUASH: For control of cucumber beetles, thrips, squash borers, aphids - Spray at the rate of 1 tablespoon per gallon of water. Apply weekly, beginning when plants are about one inch high. On cucumbers and squash, do not apply after blossoms open. Pumpkins may be sprayed up to day of harvest.

SHADE TREES, NURSERY AND ORNAMENTAL PLANTS: For control of birch leafminers, aphids, thrips, leaf hoppers, taxus weevils and flea beetles - Spray at the rate of 1 tablespoon per gallon of water. Apply as soon as insects appear, and repeat as necessary.

~~LIVESTOCK BARN:~~ For residual control of flies and mosquitoes - Spray at the rate of 4 oz. per 2.5 gallons of water. Apply to walls, ceilings, beams, window sills and other surfaces where flying insects come to rest. Use approximately 2 gallons per 1,000 sq. ft. Do not use in dairy barns or poultry houses.

GLADIOLUS AND DAFFODIL BULBS: For control of wireworms - Dust dry bulbs at time of planting. Use 3 oz. per 100 pounds of bulbs.

Recommendations for use of this product are based upon tests believed to be reliable. The buyer must assume all responsibility for use of this product when not used in strict accordance with label directions or established safe practice, or when used under abnormal conditions not reasonably foreseeable to the seller.
