	TERM OF ISSUANCE	
	NAME OF PESTICIDE PRODUCT	

NOTICE OF PESTICIDE: REGISTRATION
 REREGISTRATION
 (Under the Federal Insecticide, Fungicide,
 and Rodenticide Act, as amended)

NAME AND ADDRESS OF REGISTRANT (Include ZIP code)

Blount County, Ala.
 35950
 Yorkville, Ala.

$\frac{161}{18} \frac{263,586}{2}$

NOTE: Changes in labeling formula differing in substance from that accepted in connection with this registration must be submitted to and accepted by the Registration Division prior to use of the label in commerce. In any correspondence on this product always refer to the above U.S. EPA registration number.

On the basis of information furnished by the registrant, the above named pesticide is hereby Registered/Reregistered under the Federal Insecticide, Fungicide, and Rodenticide Act.

A copy of the labeling accepted in connection with this Registration/Reregistration is returned herewith.

Registration is in no way to be construed as an indorsement or approval of this product by this Agency. In order to protect health and the environment, the Administrator, on his motion, may at any time suspend or cancel the registration of a pesticide in accordance with the Act. The acceptance of any name in connection with the registration of a product under this Act is not to be construed as giving the registrant a right to exclusive use of the name or to its use if it has been covered by others.

This product is registered under the Federal Insecticide, Fungicide, and Rodenticide Act, 7 U.S.C. 136(a)(7)(A), provided that you:

1. Submit and/or file the data required for registration of your product under FIFRA sec. 3(c)(7) when the label includes all requirements of similar product, or submit such data.
2. Make the labeling changes listed below when you receive the new label assignment:
 - a. Add the phrase "EPA Registration No. 4-356."
 - b. Under "Manufacturer" General: Change "Harold Spoken" to "Ward" or "Ward, Inc. or son."
3. Submit five (5) copies of your final printed labeling for review and release the product for shipment. Refer to the label for a further description of final printed labeling.

ATTACHMENT IS APPLICABLE

SIGNATURE OF APPROVING OFFICIAL _____ DATE _____

If these conditions are not complied with, the registration will be subject to cancellation in accordance with FIFRA sec. 6(e). Your release for shipment of the product constitutes acceptance of these conditions.

A stamped copy of the label is enclosed for your records.

PRECAUTIONARY STATEMENTS

HAZARDS TO HUMANS AND DOMESTIC ANIMALS - CAUTION

Harmful if swallowed. Avoid contact with skin. Use gloves if applying by hands. Wash with soap and water after use. Avoid contamination of food and feedstuff.

DIRECTIONS FOR USE

It is a violation of Federal law to use this product in a manner inconsistent with its labeling.

Do not apply these granules directly to foliage of shrubs or to ornamental, soft-bodied plants. Do not apply on or near food crops.

GENERAL: The most effective control for a pet is the sharply spoken work backed up with disciplinary action. For most effective results on pets, this repellent product should be used in conjunction with training.

Note: This product is not likely to break the established urination patterns of dogs unless used as a training aid.

Stray animals are frequently attracted to areas where urine or feces have been deposited. First, remove any droppings, then apply these granules.

To prevent your pet, or stray animals, from soiling flower beds, areas of lawn, trees, shrubbery or evergreens: Apply these granules by hand or with a fertilizer spreader to borders of flower beds, or to ground and grass around the base of shrubs, trees and evergreens; or to patches of lawn you wish to protect. Sprinkle enough to cover the treated area lightly (about 4 pounds per 1000 sq. ft., or 1-2 cupfuls for 100 sq. ft.). Repeat applications until the undesirable animal habits are broken. Repeat applications after rains.

To protect garbage cans and rubbish containers from disturbance by dogs and cats, sprinkle the ground or floor about them liberally with granules. Repeat as necessary

STORAGE AND DISPOSAL

Storage: Store unused product in a cool dry place away from heat and open flame.

Disposal: Do not reuse container. Wrap container and dispose of in trash collection.
