Conditional

Name of Pesticide Product:  
Bonide Lawn Weed  
Killer w/Trimec

(under FIFRA, as amended)

Name and Address of Registrant (include ZIP Code):

Bonide Products, Inc.  
2 Wurz Avenue  
Yorkville, NY 13495-1188

Note: Changes in labeling differing in substance from that accepted in connection with this registration must be submitted to and accepted by the Registration Division prior to use of the label in commerce. In any correspondence on this product always refer to the above EPA registration number.

On the basis of information furnished by the registrant, the above named pesticide is hereby registered/reregistered under the Federal Insecticide, Fungicide and Rodenticide Act.

Registration is in no way to be construed as an endorsement or recommendation of this product by the Agency. In order to protect health and the environment, the Administrator, on his motion, may at any time suspend or cancel the registration of a pesticide in accordance with the Act. The acceptance of any name in connection with the registration of a product under this Act is not to be construed as giving the registrant a right to exclusive use of the name or to its use if it has been covered by others.

This product is conditionally registered in accordance with FIFRA sec. 3(c)(7)(A) provided that you:

1. Submit and/or cite all data required for registration of your product under FIFRA sec. 3(c)(5) when the Agency requires all registrants of similar products to submit such data; and submit acceptable responses required for reregistration of your product under FIFRA section 4.
2. Make the following label changes before you release the product for shipment:
  - a. Revise the EPA Registration Number to read, "EPA Reg. No. "4-401".
  - b. On page 4, 2nd paragraph under the heading "WHAT IT IS & HOW TO USE IT" the phrase "Use as it" should be corrected to read "Use as is."
3. Submit one copy of the revised final printed label for the record before you release the product for shipment.

*Craig M. Cooke*  
12-10-97

Signature of Approving Official:

Date:  
DEC 10 1997

If these conditions are not complied with, the registration will be subject to cancellation in accordance with FIFRA sec. 6(e). Your release for shipment of the product constitutes acceptance of these conditions.

A stamped copy of the label is enclosed for your records.

**READ THE ENTIRE LABEL FIRST. OBSERVE ALL PRECAUTIONS AND FOLLOW DIRECTIONS CAREFULLY.**

### PRECAUTIONARY STATEMENTS

#### Hazards to Humans & Domestic Animals

**CAUTION:** Harmful if swallowed. Avoid contact with eyes, skin or clothing. Wear goggles when applying this product. When using this product, wear long-sleeved shirt, long pants, socks, shoes and rubber gloves.

After using this product, rinse gloves before removing, remove clothing and launder separately before reuse, and promptly and thoroughly wash hands and exposed skin with soap and water. Remove saturated clothing as soon as possible and shower.

#### Statement Of Practical Treatment

**IF ON SKIN:** Wash with plenty of soap and water. Get medical attention if irritation persists.

**IF IN EYES:** Flush eyes with plenty of water. Get medical attention.

#### ENVIRONMENTAL HAZARDS:

This product is toxic to aquatic invertebrates. Drift or runoff may adversely affect aquatic invertebrates and nontarget plants. Do not apply directly to water. Do not contaminate water when disposing of equipment washwaters. Do not contaminate domestic or irrigation waters. Do not apply when weather conditions favor drift from target area.

#### DIRECTIONS FOR USE

It is a violation of Federal law to use this product in a manner inconsistent with its labeling.

Do not allow people (other than applicator) or pets on treatment area during application. Do not enter treatment area until spray has dried or dust has settled.

#### STORAGE AND DISPOSAL

**STORAGE:** Store in original container in a locked storage area inaccessible to children and pets.

**PESTICIDE DISPOSAL:** Securely wrap container in several layers of newspapers and discard in trash.

**CONTAINER DISPOSAL:** Do not reuse container. Rinse thoroughly before discarding in trash.

#### OTHER USE PRECAUTIONS:

Do not allow spray to drift onto vegetables, flowers, ornamental plants, shrubs, trees and other desirable plants since injury may result. Do not pour spray solutions near these plants. Avoid fine mist sprays. Coarse spray droplets are less likely to wind drift and cause damage to nontarget plants. Do not spray roots of desirable trees and shrubs. Do not exceed specified dosage; be particularly careful within dripline of tree and other ornamental species. This product is intended for spot spraying individual weeds only.

#### WHAT IT IS & HOW TO USE IT:

Bonide Lawn Spot Weeder contains Trimec<sup>®</sup> turf herbicide, a combination of three proven weed killers 2,4-D, Mecoprop and Dicamba. Together they control a wide range of broadleaf lawn weeds; some of which are listed on this label.

Use to spot treat weeds in the lawn. For best results, apply when weeds are actively growing. Do not water within 24 hours after spraying. Use as it. Do not mix. Do not dilute. Aim at weed and spray only a short burst is needed. Over spraying only wastes the product and may cause damage to grasses such as centipedegrass, St. Augustinegrass, and Floratam. Effects begin to show after a few days and weeds gradually die. Up to 4 weeks may be required for complete kill. Be patient Bonide Spot Weeder works slowly. Repeat 3 to 4 weeks if necessary.

For lawns with many weeds, requiring an overall treatment, spray with Bonide Lawn Weed Killer w/Trimec<sup>®</sup> a concentrate you'll have to mix with water in your hose end or hand-operated sprayer.

**CONTROLS:**

Bedstraw	Ground Ivy	Prickly Lettuce

**LIMITED WARRANTY AND DISCLAIMER.**

The manufacturer warrants only that the chemical composition of this product conforms to the ingredient statement given on the label, and that the product is reasonably suited for the labeled use when applied according to the Directions for Use.

THE MANUFACTURER NEITHER MAKES NOR INTENDS ANY OTHER EXPRESS OR IMPLIED WARRANTIES, INCLUDING ANY WARRANTY OF MERCHANTABILITY OR FITNESS FOR A PARTICULAR PURPOSE, WHICH ARE EXPRESSLY DISCLAIMED. This limited warranty does not extend to the use of the product inconsistent with label instructions, warnings or cautions, or to use of the product under abnormal conditions such as drought, excessive rainfall, tornadoes, hurricanes, etc. These factors are beyond the control of the manufacturer or the seller. Any damages arising from a breach of the manufacturer's warranty shall be limited to direct damages, and shall not include indirect or consequential damages such as loss of profits or values, except as otherwise provided by law.

The terms of this Limited Warranty and Disclaimer cannot be varied by any written or verbal statements or agreements. No employee or agent of the seller is authorized to vary or exceed the terms of this Limited Warranty and Disclaimer in any manner.

**APPENDIX**

I. The following instructions would appear on the bag, or be enclosed with the bag containing the trigger sprayer, or would appear on the container label.

A. SUPPLEMENTAL LABELING FOR USE WITH ATTACHED TRIGGER SPRAYER.

**DIRECTIONS FOR USE OF TRIGGER SPRAYER**

1. Remove sprayer from bag.
2. Unscrew cap from bottle and remove the foil seal.
3. Making sure that tube is properly inserted through hole in cap, insert tube into bottle and screw on cap.
4. Open spray nozzle approximately one full turn.
5. TO PRIME - With sprayer directed at the target area, operate trigger until spray begins (approximately 10 to 15 times).
6. Adjust the sprayer nozzle for desired spray pattern.

**STORAGE OF TRIGGER SPRAYER**

1. Close spray nozzle.
2. Hook the trigger on or under the bottle handle so that trigger is above the level of contents.
3. To prevent clogging of trigger, remove sprayer from bottle and pump clean water through the hose and trigger.

B. SUPPLEMENTAL LABELING FOR USE WITH ATTACHED TRIGGER SPRAYER.

**SPRAYER INSTRUCTIONS**

*How to prime and care for your sprayer.*

1. After shaking product well, remove cap from container and replace with sprayer hose and cap assembly. Tighten securely.
2. Turn sprayer nozzle one half turn counter-clockwise. Hold sprayer below the level of container and prime by pumping trigger 10 - 15 times until product is dispensed. Adjust nozzle to coarse stream.
3. To store, turn nozzle to "OFF" position and store with sprayer above level of liquid in container to prevent leakage.

II. Advertising claims that may be used by supplemental registrants and be presented on the container label.

- ◆ Kills 33+ weed types, roots and all
- ◆ Water-based or Water-based formulation
- ◆ Kills the weeds, not the lawn
- ◆ Kills the root.
