Rebecca M. Horton
Consultant/Agent for Bonide Products, Inc.
Registrations by Design, Inc.
P.O. Box 1019
Salem, VA 24153

Subject: Amended Reregistration Label
Product Name: BONIDE® Total Release Indoor Fogger
EPA Registration Number: 4-428
EPA Decision Number: 411176, 413505

Dear Ms. Horton:

The Agency, in accordance with the Federal Insecticide, Fungicide and Rodenticide Act (FIFRA), as amended, has completed reviewing all of the information submitted with your application to support the reregistration of the above referenced product in connection with the Permethrin, and Piperonyl Butoxide REDs, and has concluded that your submission is acceptable.

NOTE: This product is not being reregistered under sections 3(c)5 and 4(g) of FIFRA at this time.

Please be reminded that 40 CFR Part 156.140(a)(4) requires that a batch code, lot number, or other code identifying the batch of the pesticide distributed and sold be placed on non-refillable containers. The code may appear either on the label or durably marked on the container itself, and can be added by non-notification per PRN 98-10.

Please note that the record for this product currently contains the Confidential Statements of Formulation (CSFs) listed below. Any previously dated CSFs are superseded.

- Basic CSF, dated 3 March, 2010

A copy of your label stamped "Accepted" is enclosed along with copies of the acute

toxicity and product chemistry reviews completed for the subject product. Products shipped after 12 months from the date of this amendment or the next printing of the label whichever occurs first, must bear the new revised label. Your release for shipment of the product bearing the amended label constitutes acceptance of these conditions. If these conditions are not complied with, the registration will be subject to cancellation in accordance with FIFRA sec. 6(e).

If you have any questions about this letter, please contact Clayton Myers at 703-347-8874 or myers.clayton@epa.gov.

Sincerely,

for

Richard J. Gebken
Product Manager
Insecticide Branch
Registration Division (7505P)

NET WEIGHT: _____

FIRST AID	
If Inhaled	Move person to fresh air. If person is not breathing, call 911 or an ambulance, then give artificial respiration, preferably mouth-to-mouth if possible. Call a poison control center or doctor for further treatment advice.
Have the product container or label with you when calling a poison control center or doctor, or going for treatment. You may also contact the National Pesticide Information Center at 1-800-858-7378 for emergency medical treatment information.	

**PRECAUTIONARY STATEMENTS
HAZARDS TO HUMANS AND DOMESTIC ANIMALS**

CAUTION: Breathing spray mist may be harmful. Avoid contact with skin, eyes or clothing. Wash thoroughly with soap and water after handling.

PHYSICAL OR CHEMICAL HAZARDS

Contents under pressure. Do not use or store near heat or open flame. Do not puncture or incinerate container. Exposure to temperatures above 130°F may cause bursting. This product contains a highly flammable ingredient. It may cause fire or explosion if not used properly. Follow the "Directions for Use" on this label carefully.

Highly Flammable Ingredient
Ingrediente Altamente Inflamable

DIRECTIONS FOR USE

It is a violation of Federal law to use this product in a manner inconsistent with its labeling.

General Precautions and Restrictions

Do not apply this product in a way that will contact adults, children, or pets, either directly or through drift. Do not apply when food is present. Exposed food should be covered or removed. All food preparation surfaces and utensils should be covered during treatment or thoroughly washed before use. Remove pets, birds, and cover fish bowls and aquariums before spraying. Do not use in greenhouses where plants are grown for food. Wait four (4) hours after application, then open windows, vents, and doors to outdoors for one hour. There should be no remaining trace of pesticide fog or aerosol. If an odor is still detected; continue ventilating until no remaining trace or odor of pesticide remains. Do not use in aircraft cabins. Remove poultry before treating poultry houses. When used in dairy barns or facilities: Close milk bulk tank lids to prevent contamination from spray and from dead or falling insects. Remove or cover milking utensils before application. Wash teats of animals before milking. Application is prohibited directly into sewers or drains, or to any area like a gutter where drainage to sewers, storm drains, water bodies, or aquatic habitat can occur. Do not allow the product to enter any drain during or after application. Not for use in outdoor residential misting systems.

Use one 2 ounce canister fogger to treat a room up to 10' x 25' with an 8 foot ceiling.

Do not use in food/feed areas of food/feed handling establishments, restaurants or other areas where food/feed is commercially prepared or processed. Do not use in serving areas while food is exposed or facility is in operation. Serving areas are areas where prepared foods are served such as dining rooms but excluding areas where food may be prepared or held. Commercial food/feed areas where the product cannot be used include areas for receiving, serving, storage (dry, cold, frozen, raw), packaging (mills, dairies, edible oils, syrups). Can be used in non-food areas such as garbage rooms, lavatories, entries and vestibules, offices, boiler rooms, garages, mop closets and storage (after canning or bottling). Repeat spraying in two weeks when necessary. **Does not control bed bugs.**

To Use This Product Correctly:

Do not use more than one fogger per room. Do not use in a room 5 ft. x 5 ft. or smaller; instead, allow fog to enter from other rooms.

Do not use in small, enclosed spaces such as closets, cabinets or under counters or tables. Use of a fogger in an enclosed space may cause the product to explode, resulting in injury to people or damage to property.

Turn off ALL ignition sources such as pilot lights (shut off gas valves), other open flames or running electrical appliances that cycle off and on (i.e., refrigerators, thermostats, etc.). Call your gas utility or management company if you need assistance with your pilot lights.

Before You Fog

Open cupboards, cabinets, trunks, and doors to area to be treated to allow maximum kill in all areas where insects can hide and breed. Close outside doors and windows and shut off fans and air conditioning to maximize killing power of fog.

Remove or cover exposed food and drinking water before application. Remove or cover dishes, utensils, food processing equipment, and food preparation surfaces, or wash them before use. Cover waxed wood floors and waxed furniture in the immediate area surrounding the fogger (newspaper may be used).

To Start Fogging

SHAKE WELL JUST BEFORE USING. Place a section of newspaper on floor in center of room to be treated. **NOTE:** Do not place fogger on water-stainable surface. Tilt can opening away from face and depress tab firmly with thumb until it clicks in locked position. Aiming spray away from face, set fogger on newspaper. **Vacate the treated house, individual apartment unit, or other structure immediately.**

Do Not Re-enter For 4 Hours. Close door and keep area closed for 4 hours before airing out.

Airing Out

Do not allow adults, children, or pets to enter until vapors, mists, and aerosols have dispersed, and the treated area has been thoroughly ventilated. Then open windows, vents and doors for two hours. If an odor is still detected additional ventilation is required.

STORAGE AND DISPOSAL

Do not contaminate water, food, or feed by storage or disposal.

Storage: Do not store near heat or open flame. Store and transport in an upright position. Store in a cool dry area inaccessible to children or pets.

Do not puncture or incinerate!

Disposal: *If empty* –Place in trash or offer for recycling if available. *If partly filled* – Call your local solid waste agency or for disposal instructions.

For information on pesticide products (including health concerns, medical emergencies, or pesticide incidents), call the National Pesticide Information Center at 1-800-858-7378.

NOTICE: To the extent consistent with applicable law, buyer assumes all responsibility for safety and use not in accordance with directions.
