Conditional

Name of Pesticide Product:
Bonide FCS 26

NOTICE OF PESTICIDE:

Registration
 Reregistration

(Under FIFRA as amended)

Name and Address of Registrant (include ZIP Code):

Bonide Products, Inc.
6301 Sutiff Road
Oriskany, NY 13424

Note: Changes in labeling differing in substance from that accepted in connection with this registration must be submitted to and accepted by the Registration Division prior to use of the label in commerce. In any correspondence on this product always refer to the above EPA registration number.

On the basis of information furnished by the registrant, the above named pesticide is hereby registered/reregistered under the Federal Insecticide, Fungicide and Rodenticide Act.

Registration is in no way to be construed as an endorsement or recommendation of this product by the Agency. In order to protect health and the environment, the Administrator, on his motion, may at any time suspend or cancel the registration of a pesticide in accordance with the Act. The acceptance of any name in connection with the registration of a product under this Act is not to be construed as giving the registrant a right to exclusive use of the name or to its use if it has been covered by others.

This product is conditionally registered in accordance with FIFRA sec. 3(c)(7)(A), provided that you:

1. You will submit and/or cite all data required for registration/reregistration of your product under FIFRA sec. 3(c)(5) when the Agency requires all registrants of similar products to submit such data; and submit acceptable responses required for reregistration of your product under FIFRA section 4.
2. You will make the following label changes before you release the product for shipment:

a. Revise the EPA Registration Number to read "EPA Registration Number 4-478."

Signature of Approving Official:

L. A. DeLuca Richard Gebken

DIRECTIONS FOR USE

It is a violation of Federal law to use this product in a manner inconsistent with its labeling.

Shake Well Before Use

Bonide FCS 26 kills fleas and ticks and contains a combination of ingredients that kills adult fleas, as well as flea eggs and larvae. The Insect Growth Regulator in this product kills fleas by preventing their development into the adult biting stage. It reaches fleas hidden in carpets, floor cracks, rugs, pet bedding, drapes and upholstery. This product protects your home from reinfestation while protecting your family and pets from bites. One treatment provides continuous flea protection for up to 210 days and leaves no objectionable odor or sticky mess. When used as directed, this product will not stain furnishings or carpeting.

HOW TO USE

FLEAS:

Adjust the spray nozzle to create a fine mist. Treat all carpeted areas and all baseboards of hard surface floors. Evenly apply a fine mist to carpets, rugs, drapes and all surfaces of upholstered furniture by using a wide, sweeping motion. Also spray floors underneath furniture, sofas, chairs and beds. Do not saturate surfaces. Treat pet bedding, a primary hiding place for fleas. Retreat every 4-6 weeks, as necessary. Do not spray humans or pets with this product. Do not reenter treated areas until completely dry.

The flea pupae (cocoon) stage is not affected by this product because the product will not penetrate the cocoon. Repeat treatments and vacuum daily to kill fleas newly emerged from the pupae stage.

OTHER CRAWLING INSECTS:

In homes, garages and attics this 1 gallon [1 quart] container will treat approximately 1,600 square feet [400 sq.ft.] [equal to 11 rooms measuring 10' x 14.5']. To kill other crawling bugs such as ticks, ants, spiders, roaches, carpet beetles, scorpions, centipedes, crickets, millipedes and silverfish, spray directly on pests.

STORAGE AND DISPOSAL

Do not contaminate water, food, or feed by storage and disposal.

Pesticide Storage: Store in original container only in secure or locked storage area.

Pesticide Disposal: *If partly filled:* Call your local solid waste agency for disposal instructions. Never place unused product down any indoor or outdoor drain.

Container Disposal: *If empty:* Nonrefillable container. Do not reuse or refill this container. Offer for recycling if available, or place in trash.

PRECAUTIONARY STATEMENTS

Hazards to Humans and Domestic Animals

CAUTION: Harmful if absorbed through skin. Avoid contact with skin, eyes or clothing. Wash thoroughly with soap and water after handling and before eating, drinking, chewing gum, or using tobacco. Remove and wash contaminated clothing before reuse.

FIRST AID	
If on Skin or Clothing:	Take off contaminated clothing. Immediately rinse skin with plenty of water for 15-20 minutes. <i>Call a poison control center or doctor for treatment advice.</i>
Have the product container or label with you when calling a poison control center or doctor, or going for treatment. For information on pesticide products (including health concerns, medical emergencies, or pesticide incidents) call the National Pesticide Information Center at 1-800-858-7378.	

ENVIRONMENTAL HAZARDS

This product is extremely toxic to fish. Do not apply to water. Do not contaminate water by cleaning of equipment or disposal of wastes.

LIMITED WARRANTY AND DISCLAIMER

Seller warrants that this product complies with the specifications expressed in this label. To the extent consistent with applicable law, Seller makes no other warranties, and disclaims all other warranties, express or implied, including but not limited to warranties of merchantability and fitness for the intended purpose. To the extent consistent with applicable law, Seller's liability or default, breach or failure under this label shall be limited to the amount of the purchase price. To the extent consistent with applicable law, Seller shall have no liability for consequential damages.

For information on pesticide products (including health concerns, medical emergencies, or pesticide incidents) call the National Pesticide Information Center at 1-800-858-7378.
