

U.S. ENVIRONMENTAL PROTECTION AGENCY

Office of Pesticide Programs  
Registration Division (7505P)  
1200 Pennsylvania Ave., N.W.  
Washington, D.C. 20460

EPA Reg. Number:

4-505

Date of Issuance:

10/21/22

NOTICE OF PESTICIDE:

Registration  
 Reregistration  
(under FIFRA, as amended)

Term of Issuance:

Conditional

Name of Pesticide Product:

BONIDE INDOXACARB  
POWDER

Name and Address of Registrant (include ZIP Code):

Bonide Products, LLC  
6301 Sutliff Rd.  
Oriskany, NY 13424

**Note:** Changes in labeling differing in substance from that accepted in connection with this registration must be submitted to and accepted by the Registration Division prior to use of the label in commerce. In any correspondence on this product always refer to the above EPA registration number.

On the basis of information furnished by the registrant, the above named pesticide is hereby registered under the Federal Insecticide, Fungicide and Rodenticide Act.

Registration is in no way to be construed as an endorsement or recommendation of this product by the Agency. In order to protect health and the environment, the Administrator, on his motion, may at any time suspend or cancel the registration of a pesticide in accordance with the Act. The acceptance of any name in connection with the registration of a product under this Act is not to be construed as giving the registrant a right to exclusive use of the name or to its use if it has been covered by others.

This product is conditionally registered in accordance with FIFRA section 3(c)(7)(A). You must comply with the following conditions:

1. Submit and/or cite all data required for registration/reregistration/registration review of your product under FIFRA when the Agency requires all registrants of similar products to submit such data.

Signature of Approving Official:

Tamica Cain, Product Manager 10  
Invertebrate & Vertebrate Branch 2  
Registration Division (7505T)

Date:

10/21/22

2. You are required to comply with the data requirements described in the DCI identified below:
  - a. Indoxacarb GDCI-067710-1382

You must comply with all of the data requirements within the established deadlines. If you have questions about the Generic DCI listed above, you may contact the Chemical Review Manager in the Pesticide Reevaluation Division: <http://iaspub.epa.gov/apex/pesticides/f?p=chemicalsearch:1>

3. Submit one copy of the final printed label for the record before you release the product for shipment.

Should you wish to add/retain a reference to the company's website on your label, then please be aware that the website becomes labeling under the Federal Insecticide Fungicide and Rodenticide Act and is subject to review by the Agency. If the website is false or misleading, the product would be misbranded and unlawful to sell or distribute under FIFRA section 12(a)(1)(E). 40 CFR 156.10(a)(5) list examples of statements EPA may consider false or misleading. In addition, regardless of whether a website is referenced on your product's label, claims made on the website may not substantially differ from those claims approved through the registration process. Therefore, should the Agency find or if it is brought to our attention that a website contains false or misleading statements or claims substantially differing from the EPA approved registration, the website will be referred to the EPA's Office of Enforcement and Compliance.

If you fail to satisfy these data requirements, EPA will consider appropriate regulatory action including, among other things, cancellation under FIFRA section 6(e). Your release for shipment of the product constitutes acceptance of these conditions. A stamped copy of the label is enclosed for your records. Please also note that the record for this product currently contains the following CSFs:

- Basic CSF dated 12/08/2021

If you have any questions, please contact David Gardner by phone at (202) 566-2677, or via email at [gardner.david@epa.gov](mailto:gardner.david@epa.gov).

**PRECAUTIONARY STATEMENTS**

**HAZARDS TO HUMANS AND DOMESTIC ANIMALS**

**CAUTION:** Causes moderate eye irritation. Avoid contact with eyes or clothing. Wash hands thoroughly with soap and water after handling and before eating, drinking, chewing gum, using tobacco or using the toilet.

Do not place [station] [tunnel] where it is in reach of children (or domestic animals). If Any powder spills while placing station brush into cracks or crevices or remove by cleaning the area with a cloth and mild detergent solution.

**PHYSICAL OR CHEMICAL HAZARDS**

Do not mix or allow coming in contact with oxidizing agent. Hazardous chemical reaction may occur.

**ENVIRONMENTAL HAZARDS**

This pesticide is toxic to fish and aquatic invertebrates. Do not apply directly to water, or to areas where surface water is present, or to intertidal areas below the mean high water mark. Do not contaminate water when disposing of equipment washwater or rinsate. Runoff may be hazardous to aquatic organisms in water adjacent to treated areas. Runoff of this product will be reduced by avoiding applications when rainfall is forecasted to occur within 24 hours. Rinsing application equipment over the treated area will help avoid runoff to water bodies or drainage systems. Do not apply to any impervious surfaces which may contact or lead directly to surface water, storm drains, or urban runoff conveyance systems (gutters).

**DIRECTIONS FOR USE**

It is a violation of Federal law to use this product in a manner inconsistent with its labeling.

**RESTRICTIONS**

- Do not place this product [bait station] [[roach] tunnel] in confined areas (i.e., attics, hot water heater closets, furnace rooms, etc.) in the presence of open flames, such as pilot lights.
- Do not place station/tunnel where water or rain may come in contact with the bait.
- Do not tip [station] [tunnel] upside down [and] [or] shake.

**[This is] [How] It Works:**

[1.] [Listed pests] [Roaches] [&] [Ants] enter [the] bait station and eat the bait.

[2.] [Listed pests] [Roaches] [&] [Ants] take the bait back to the nest. **-or-** [Listed pests] [Roaches] [&] [Ants] return to their nest and die.]

[3.] [Listed pests] [Roaches] [&] [Ants] share the bait, killing other listed pests.

**Application Instructions:**

- Bait stations will need to be placed on flat, horizontal surfaces.
- Remove bait station [[Roach] tunnel] from box.
- [Peel strip from adhesive on bottom of [bait station] [[roach] tunnel]].]
- Place [stick] bait station [[roach] [tunnel] on flat surface in intended area [and] where roaches have been seen or in out of the way places such as near walls, in cabinets, under sinks, and behind refrigerators and in closets.
- Using one hand, hold the [tunnel] [[bait][station]] firm to the surface.
- With your other hand, slowly pull tab to expose dry bait inside the [station] [tunnel].
- [Dispose tab in trash.]
- Replace bait stations [[roach] [tunnel] when all bait is gone from [them] [the [station] [[roach] [tunnel] tunnel] or up to 2 years.
- If any [product] [powder][bait] spills while placing station, brush into cracks or crevices or remove by cleaning the area with a cloth and mild detergent solution.

**Application Rates:**

The application rate will be at least 0.75 g/100 sq. ft. (1 bait station is 0.5g A.I.)

Light Infestation: Place 2 – 3 bait stations per 100 sq. ft. (1g-1.5 g A.I. per 100 sq. ft.)

Heavy Infestation: Place 4-7 bait stations per 100 sq. ft. (2 g-3.5 g A.I. per 100 sq. ft.)

**INDOOR USE**

Use for control of Cockroaches, Ants (excluding fire, pharaoh, harvester, and carpenter ants), Asian ladybeetles, Booklice, Boxelder Bugs, Carpet Beetles, Crickets, Dermestids, Drugstore Beetles, Earwigs, Firebrats, Flour Beetles, Grain Weevils, Florida Woods Cockroach, Pillbugs, Silverfish, Sowbugs, and Stinkbugs. For home treatment [use] in non-food areas, place bait station [tunnel] behind and under cabinets, drawers, and shelving, under and behind appliances, such as stoves and refrigerators, and in attics and crawlspaces, near cracks and crevices, holes, pipe chases, undersides of furniture, under drain plates, in or under trash containers, hidden surfaces around sinks and storage areas, behind baseboards, and around doors and windows. Inspect station(s) [tunnel(s)] and replace it [them] every 2 years or when bait is gone if necessary. Care should be taken to avoid spilling the [product] [bait] [powder] onto exposed surfaces.

**OUTDOOR USE**

Use for control of Ants (excluding fire, pharaoh, harvester, and carpenter ants), Asian ladybeetles, Booklice, Boxelder bugs, Carpet Beetles, Crickets, Drugstore Beetles, Earwigs, Firebrats, Flour Beetles, Grain Weevils, Pillbugs, Silverfish, Sowbugs, and Stinkbugs. Place bait station [tunnel] around windows and doors, porches, screens, eaves, patios, garages, under stairways, in open crawl spaces, and under siding or exterior construction elements and other areas where insects [ants] may be [found] nesting.

#### STORAGE AND DISPOSAL

Do not contaminate water, food or feed by storage or disposal.

**PESTICIDE STORAGE:** Keep this product in its tightly closed original container when not in use. Store in a cool, well-ventilated, dry (preferably locked) area that is inaccessible to children and animals. Do not store this product under wet conditions.

**PESTICIDE DISPOSAL:** Wastes resulting from the use of this product may be disposed of on-site or at an approved waste disposal facility.

**CONTAINER HANDLING: Non-refillable container.** Do not reuse or refill this container. **If Empty:** Place in trash or offer for recycling if available. **If partly filled:** Call your local solid waste agency for disposal instructions.

**NOTICE:** Read the entire Directions for Use and Conditions of Sale and Limitation of Warranty and Liability before buying or using this product. If the terms are not acceptable, return the product at once, unopened, and the purchase price will be refunded.

#### Limited Warranty and Disclaimer

Seller warrants that this product complies with the specifications expressed in this label. To the extent consistent with applicable law, seller makes no other warranties, and disclaims all other warranties, express or implied, including but not limited to warranties of merchantability and fitness for the intended purpose. To the extent consistent with applicable law, seller's liability for default, breach or failure under this label shall be limited to the amount of the purchase price. To the extent consistent with applicable law, seller shall have no liability for consequential damages.

[Alternate Optional WARRANTY STATEMENT]

Satisfaction guaranteed or your money back

If not completely satisfied, please submit a refund request. Please send a copy of the receipt, the back label of the product that contains the UPC Code and a note explaining why you were dissatisfied. Send to, [insert company name and address]. [Company name] will not be liable for any damage, direct or incidental. Refund or replacement product is [Company name]'s only obligation.

Buyers Guarantee limited to label claims

**NOTICE:** Buyer assumes all risks of use, storage and handling of this product not in strict accordance with directions given herewith.

#### **[Optional Marketing Claims:]**

**KILLS:** Ants (excluding fire, pharaoh, harvester, and carpenter ants), Booklice, Carpet Beetles, Cockroaches (indoor use only), Crickets, Drugstore Beetles, Earwigs, Firebrats, Flour Beetles, Grain Weevils, Pillbugs, Silverfish and Sowbugs.

**FOR USE IN:** Single Family Homes, Apartments, Attics, Kitchens, Bathrooms, Basements, Crawl Spaces, Garages, Storage Areas, Other Rooms and on Outside of Structures  
Make applications only in unoccupied areas and rooms when occupants are not present.

### Use Related Claims

- Effective and Easy to Use
- Easy to use bait station [tunnel] included
- Can be used in combination with other baits/control methods
- Ideal for use in kitchens/bathrooms/living rooms
- Bait is taken back by one roach so other roaches will feed on it as well.
- Bait is taken back by one insect and other insects will feed on it.
- Bait is carried back to where other roaches are hiding
- Bait is carried back to where other insects are hiding
- Great for apartments, the roach takes the bait back to the nest hidden in the walls
- Great control for [cock]roaches hiding in dark [damp] places
- Great control for [cock]roaches in hidden places
- Helps prevent your neighbors' roaches from taking over your apartment
- Whole House Protection {*image - walls, ceilings, cabinets, cracks, crevices*}

### Efficacy Related Claims

- Kills Cockroaches (indoor use only)
- Keeps working on German cockroaches indoors for up to 2 years/24 months [unless bait is depleted]
- Begins/Starts killing/controlling in 24 hours
- Starts killing in 24 hours
- Kills the [cock]roaches you see AND [even] the ones you don't
- Kills the [cock]roaches you can't see
- Kills [cock]roaches where they hide [and breed]

- Discretely kill[s] [your] [cock]roaches
- Smokes [cock]roaches [where they hide]
- Begins eliminating your German [cock]roach population in 24 hours
- Works even when other food is available
- Provides lethal consumption through direct feeding and Cling-n-Clean/Grab-n-Groom
- Aids in the control of Silverfish
- Kills Ants\*, cockroaches, earwigs, pantry pests and many more listed insects. {\*excluding fire, pharaoh, harvester and carpenter ants}
- Applied bait is still effective up to 2 years on German cockroaches
- Effective up to 2 years\* \*on German cockroaches
- Keep on killing for up to 2 years\* \*on German roaches
- Begins working a 1 day, keeps working for up to 2 years
- Controls the adult cockroach and the nymphs.
- Kills 15+ listed common household insects {see list at end of claims for substantiation on number of insects}

#### **Formulation Related Claims**

- No odor, no mess
- No [mess] [or] [and no] bad odor
- Does not contain the ingredients that cause bait aversion
- Doesn't melt [or run] in hot environments/climates
- Cling-n-Clean/Grab-n-Groom: Clings [Grabs on] to [cock]roach bodies when they walk through, ensuring that the powder is later ingested when the [cock]roaches preen/clean/groom
- [Grab 'n Groom:/-] [Unique dry formula] grabs onto cockroaches and is ingested when they groom[.]
- [Cling & Clean:/-] [Unique dry formula] clings to cockroaches and is ingested when they clean [themselves][.]
- Grab 'n Groom
- Grab & Groom
- Cling 'n Clean
- Cling & Clean

#### **Station Claims**

- Easy to operate
- Heavy Duty Design
- Very reliable
- Easy to place

- More Baits [– Better Value]
- Value Pack [– More Baits]
- Value Size [– More Baits]
- Bonus Pack x Better Value
- SUPER VALUE
- MAX VALUE
- ECONOMY SIZE
- ECONOMY PACK
- GREAT VALUE [X] number [more] [extra] bait stations]
