EM #1400

NON-SELECTIVE WEED AND BRUSH KILLER

EM #1400 is a non-selective, efficient, positive control for most forms of vegetation and plant life. Kills ~~all~~ ^{MOST} grasses, weeds, poison ivy and tree stumps.

USES:

Mowing contractors, Railroads and Industrial Rail sidings, Parking Lots, Roads and Streets, Right of Ways, Machine Storage Areas, Permanent Kill Areas in Parks, Industrial Plant Storage Areas, Oil Refineries, Lumber Yards, Grass on bridges, ~~any place~~ where weeds and grasses are to be removed. and similar places

ACTIVE INGREDIENTS:

Sodium Arsenite

48.75%

Total Arsenite (All water soluble)
Expressed as metallic - not less than

28.25%

INERT INGREDIENTS:

51.25%

DIRECTIONS

Annual Weeds and Grasses: To cover approximately 2,000 square feet, dilute 2 gallons of EM #1400 with 50 gallons of water. Wet leaves, stems and root crowns. Do not use on lawns or near desirable plants.

Perennial Weeds and Grasses: To cover approximately 1,000 square feet, dilute 1 gallon of EM #1400 with 12 gallons of water. Heavy vegetation may require more concentrated solution. Wet all leaves, stems and root crowns.

1 PART TO 3 PARTS

NON-SELECTIVE WEED AND BRUSH KILLER

POISON

EM #1400 is a non-selective, efficient, positive control for most forms of vegetation and plant life. Kills ~~all~~ ^{MOST} grasses, weeds, poison ivy and tree stumps.

USES:

Paving Contractors, Railroads and Industrial Rail Sidings, Parking Lots, Roads and Streets, Right of Ways, Machine Storage Areas, Permanent Kill Areas in Parks, Industrial Plant Storage Areas, Oil Refineries, Lumber Yards, Grass on Bridges, ~~any place~~ ^{any place} where weeds and grasses are to be removed. and similar places

ACTIVE INGREDIENTS:

Sodium Arsenite

48.75%

Total Arsenite (All water soluble)
Expressed as metallic - not less than

28.25%

INERT INGREDIENTS:

51.25%

DIRECTIONS

Annual Weeds and Grasses: To cover approximately 2,000 square feet, dilute 2 gallons of EM #1400 with 30 gallons of water. Wet leaves, stems and root crowns. Do not use on lawns or near desirable plants.

Perennial Weeds and Grasses: To cover approximately 1,000 square feet, dilute 1/2 gallon of EM #1400 with 12 gallons of water. Heavy vegetation may require more concentrated solution. Wet all leaves, stems and root crowns.

1 PART TO 3 PARTS

Soil Treatment: Dilute ~~EM #1400~~ water for approximately 200 square feet. Do not use around desirable vegetation.

Tree Killing: Cut deep gashes in bark and pour undiluted EM #1400 into cuts. Pour over stumps when freshly cut to prevent resprouting.

DANGER KEEP OUT OF REACH OF CHILDREN. Poisonous if swallowed. Avoid contact with skin, eyes or clothing. Wash thoroughly after using. Do not breathe spray mist. Keep children, pets and livestock off treated areas.

1. "DO NOT USE OR STORE IN OR AROUND THE HOME"
2. "DO NOT ALLOW DOMESTIC ANIMALS TO GRAZE OR FEED IN"
