MANUFACTURED FOR

DO NOT REUSE EMPTY CONTAINER.

Dispose of empty container and wastes by burning
or by burying in non-croplands away from
domestic water supplies.

DURSBAN® $\frac{1}{2}$ G

292

Granular Insecticide

READ ENTIRE LABEL. USE STRICTLY IN ACCORDANCE WITH LABEL CAUTIONS, WARNINGS AND DIRECTIONS; AND IN CONFORMITY WITH FEDERAL AND STATE REGULATIONS.

DIRECTIONS

Apply Dursban $\frac{1}{2}$ G granular insecticide uniformly to home lawns and other ornamental and recreational turf grass areas using any hand or power operated gravity or rotary type spreader designed for application of granular materials. Treat when insects first appear using Dursban $\frac{1}{2}$ G at the rate of 200 pounds per acre. To help obtain uniform distribution, apply one-half the required amount of product in one direction, then apply the balance at a right angle. Immediately after application sprinkle the turf with 1300 gallons of water per acre so as to wash the granules into the zone of insect infestation. Consult the following table to determine amounts of Dursban $\frac{1}{2}$ G and water needed for smaller sized areas. Re-treat as necessary.

RATES TO USE

Area to be treated	Pounds of DURSBAN $\frac{1}{2}$ G	Gallons of Water to Sprinkle on Turf after Treatment
1000 sq. ft.	5	30
5000 sq. ft.	25	150
10700 sq. ft.	50	325

USE PRECAUTIONS

Keep children and pets off treated areas until this material is washed into the soil and grass is dry.

This product is toxic to fish, birds and other wildlife. Birds feeding on treated areas may be killed. Keep out of any body of water. Do not contaminate water by cleaning of equipment or disposal of wastes. Apply this product only as specified on this label.

Dispose of empty container and wastes by burning or by burying in non-cropland away from domestic water supplies.

CAUTION

KEEP OUT OF REACH OF CHILDREN

MAY BE HARMFUL IF SWALLOWED

Do not take internally. Avoid eye contact. Flush contaminated eyes with plenty of water, and get medical attention if irritation persists. Wash thoroughly after handling. Wash contaminated clothing before re-use. Keep away from food, feedstuffs and domestic water supplies.

NOTE TO PHYSICIAN: Active Ingredient is a cholinesterase inhibitor. Treat symptomatically. Atropine is an antidote.

NOTICE

Buyer assumes all risks of use, storage or handling of this material not in strict accordance with DIRECTIONS and CAUTIONS stated on this label.
