

Dragon Home Pest Control is a ready-to-use spray that kills roaches, ants, ticks, fleas, and other household pests. It is safe for use around children and pets when used as directed.

To Kill Cockroaches, Ants, Ticks, Fleas, Spiders, and Other Household Pests: Spray the insecticide in the areas where the pests are most likely to be found. Repeat applications as needed.

To Kill Brown Dog Ticks and Fleas: Spray the insecticide on the animal's fur. Avoid spraying the animal's face and eyes.

Fleas and Mosquitoes: Spray the insecticide on the animal's fur and in the areas where the animal spends most of its time. Also spray the animal's bedding and the areas around the house.
