READY-TO-USE SPRAY — RESIDUALLY KILLS: Roaches, Ants, Ticks, Fleas and other listed pests.

[NOTE TO EPA: Front panel of label may include graphics representing use, e.g., insects listed - Roach, Ant, Tick, Flea.]

ACTIVE INGREDIENTS:

d-trans allethrin	0.05%
*N-Octyl bicycloheptene dicarboximide	0.40%
Chlorpyrifos [0,0-diethyl 0-(3,5,6-trichloro-2-pyridyl)phosphorothioate]	0.50%
INERT INGREDIENTS*:	<u>99.05%</u>
TOTAL	100.00%

*Contains petroleum distillates and aromatic petroleum distillates.

*MGK 264, Insecticide Synergist.

**Keep Out of Reach of Children
CAUTION**

See back/side/other panel(s) for additional cautions.

**NOTIFICATION
LABEL NOT REVIEWED
PER PR NOTICE 88-8
DATE 7/12/93**

NET WEIGHT 1QT (32 FL OZ)

GENERAL: For use in homes and non-food areas of kennels, commercial buildings, warehouses, theaters, office buildings, schools, motels, hotels, restaurants and food processing facilities. Use DRAGON® Home Pest Control as a spot treatment to control cockroaches, waterbugs, silverfish, ticks, fleas and other insects listed below. Apply this product as a coarse spray to localized areas where pests are found or may occur. Spray surfaces until wet. Repeat as needed.

DIRECTIONS FOR USE

SHAKE WELL BEFORE USING. It is a violation of federal law to use this product in a manner inconsistent with its labeling.

TO KILL COCKROACHES, ANTS, CRICKETS, SILVERFISH, SPIDERS and SOWBUGS:

Spray areas where these pests are found or may hide, including dark corners of rooms and closets; cracks and crevices in walls; along baseboards and door and window frames; behind and beneath sinks, stoves, refrigerators and cabinets; and around garbage cans, plumbing and other utility installations. Pests driven out of hiding places should be sprayed directly. For ants, apply to ant trails, also around doors and windows and wherever else these pests may find entrance. Repeat as necessary.

TO KILL BROWN DOG TICKS and FLEAS: Thoroughly apply as a spot treatment to infested areas such as pet beds and resting quarters, nearby cracks and crevices, along and behind

baseboards, window and door frames, and localized areas of floor and floor coverings where these pests may be present. Old bedding should be removed and replaced with clean, fresh bedding after treatment of pet area. **DO NOT SPRAY PETS WITH THIS PRODUCT.** Treat pets with a product registered for animal application to control the source of the flea infestation.

FLIES and MOSQUITOES: Use only out of doors as an aid in reducing annoyance from these insects. Spray outside surfaces of windows and door frames, as well as other areas where these pests may enter the home. Also spray dark corners and localized resting areas (such as under eaves) or porches, patios and garages where these insects may congregate. Flies and mosquitoes coming to rest on treated surfaces will be killed. Repeat treatment when necessary.

PRECAUTIONARY STATEMENTS

Hazards to Humans and Domestic Animals

CAUTION: May be harmful if swallowed, inhaled or absorbed through skin. Avoid breathing spray mist and provide adequate ventilation of area being treated. Avoid contact with skin, eyes and clothing. In case of contact, immediately flush skin and eyes with plenty of water. Wash thoroughly with soap and water after handling. If poisoning occurs, get prompt medical aid.

STATEMENT OF PRACTICAL TREATMENT

IF SWALLOWED: Do not induce vomiting because of possible aspiration hazard. Call a physician or Poison Control Center immediately.

IF INHALED: Remove victim to fresh air if effects occur and call physician immediately.

IF ON SKIN OR CLOTHING: Remove contaminated clothing and wash with soap and water.

IF IN EYES: Flush with plenty of water; get medical attention if irritation persists.

NOTE TO PHYSICIAN: Chlorpyrifos is a cholinesterase inhibitor. Treat symptomatically. Atropine, only by injection, is antidotal.

ENVIRONMENTAL HAZARDS: This pesticide is highly toxic to fish. For terrestrial uses, do not apply directly to water, or to areas where surface water is present or to intertidal areas below the mean high water mark. Drift from treated areas may be hazardous to organisms in adjacent aquatic sites. Do not contaminate water when disposing of equipment washwaters.

PHYSICAL HAZARDS: Do not use or store near heat or open flame.

STORAGE: Store only in original container, in a cool, dry place inaccessible to children and pets and away from foodstuffs, heat or open flame.

PESTICIDE DISPOSAL: Securely wrap original container in several layers of newspaper and discard in trash.

CONTAINER DISPOSAL: Do not reuse bottle. Rinse thoroughly before discarding in trash.

NOTICE: Buyer assumes all risks of use, storage and handling of this material not in strict accordance with DIRECTIONS FOR USE and CAUTIONS stated on this label.
