### DIRECTIONS FOR USE

It is a violation of Federal law to use this product in a manner inconsistent with its labeling.

Dragon Rabbit and Dog Chaser is most effective when used before dog establishes his territory lines and pattern around the area to be treated. If this territory has been established it is important to remove all traces of previous droppings and urine before applying this product.

After the area has been prepared distribute a several inch band around ornamentals, trees and shrubs needing protection. Spread a band of two or more inches around the area to be protected. Do *not* apply directly to the plant. Repeat application every three weeks or more often if there is heavy rainfall, snow, wind or hot weather. *May be used on the periphery of, but not in, vegetable gardens or food crops.*

3 lbs. of this product will treat approximately 85 running feet.

### STORAGE AND DISPOSAL

**STORAGE:** Store only in original container, in a cool dry place inaccessible to children and pets and away from feed and foodstuffs.

**DISPOSAL:** Do not reuse empty container. Securely wrap in newspaper and discard in trash.
