DIRECTIONS FOR USE

It is a violation of federal law to use this product in a manner inconsistent with its labeling.

Use Restrictions: This product may be used to discourage domestic dogs (*Canis familiaris*) from defecating on or near treated lawns or in treated areas around ornamental plants, trees, shrubs, and pavements. This product also may be used to repel cottontail rabbits (*Sylvilagus floridanus*) from entering, feeding in, or defecating within treated areas associated with flower gardens, ornamental plants, trees and shrubs.

DO NOT USE THIS PRODUCT IN VEGETABLE GARDENS NOR ON FOOD CROPS. May be used around the perimeter of vegetable gardens. Do not allow the product to wind drift to nearby food crops.

Application Directions: Before treatment, try to remove all traces of animal droppings and urine from the areas to be protected. Animals are attracted by the odors of these deposits. If the odors are effectively removed, regular use of DRAGON® Rabbit & Dog Chaser around ornamental plants, trees and shrubs should discourage new defecations by dogs and visitations by rabbits.

Apply this product in bands 2 or more inches wide around the plants or the areas to be protected. Be careful not to apply product directly to foliage or stems. Repeat treatment as needed. More frequent applications will be needed if heavy rains, heavy snowfalls, hot weather or high winds occur.

The material in this package (3 lbs.) will produce a band of product approximately 2 inches wide and 85 feet long.

STORAGE AND DISPOSAL

STORAGE: Store only in original container, in a dry place inaccessible to children and pets.
DISPOSAL: Do not reuse empty container. Securely wrap in newspaper and discard in trash.
