NET WT. 1 LB

[BACK/SIDE/OTHER PANEL(S)]

**DRAGON® GRANULAR SCAT CAT™ REPELLENT** will repel cats and dogs for one week to ten days under ordinary weather conditions. A training aid for your dog or cat. Breaks pets' bad habits. ✓

**DIRECTIONS FOR USE**

It is a violation of federal law to use this product in a manner inconsistent with its labeling. ✓

To prevent your pet, or stray animals, from soiling flower beds, areas of lawn, trees, shrubbery or evergreens — Apply this product by hand or with a fertilizer spreader to borders of flower beds or to ground and grass around the base of shrubs, trees and evergreens, or to patches of lawn you wish to protect. Sprinkle enough to cover the treated area lightly (about 4 lbs. per 1,000 sq. ft., or 1-2 cupfuls for 100 sq. ft.). Repeat applications until the desirable animal habits are broken. Repeat application after rains. ✓

To protect garbage cans and rubbish containers from disturbance by cats and dogs, sprinkle the ground or floor about them liberally with granules. Repeat as necessary. ✓

Stray animals are frequently attracted to areas where urine or feces have been deposited. First, remove any droppings, then apply these granules. Do not apply these granules directly to foliage of shrubs or to ornamental, soft-bodied plants. Do not apply on or near food crops. ✓

For most effective results, SCAT CAT™ should be used in conjunction with training. Use SCAT CAT outdoors only. To maximize the value of this product as a training aid, present the animal with the scent of SCAT CAT™ shortly before discipline is administered and continue to pair the product with discipline in this manner. ✓

**CAUTION**

Avoid contamination of food and feedstuffs. Use gloves if applying by hand. Avoid contact with skin. Wash hands with soap and water after applying granules. ✓

**STORAGE:** Store only in original container, in a cool dry place, inaccessible to children and pets and away from foodstuffs. ✓

**PRODUCT DISPOSAL:** Securely wrap original container in several layers of newspaper and discard in trash.

**CONTAINER DISPOSAL:** Do not reuse container. Wrap container and put in trash collection. ✓

**WARRANTY:** Seller makes no warranty, expressed or implied, concerning the use of this product other than indicated on the label. Buyer assumes all risk of use and/or handling of this material when such use and/or handling is contrary to label instructions. ✓
