

page 2
EPA Reg. No. 16-167

b. On the front panel delete "Contains Natural Insecticide Made from Flowers". Claims as to the safety of a pesticide or its ingredient whether direct or implied in any form are unacceptable.

c. Delete "offices" under Where to Use since this is not a residential site.

d. Delete "Contains no CFC's". Refer to PR Notice 92-2.

e. Revise the statement to read "Do not use in commercial food/feed handling establishments, restaurants or other areas where food is prepared or processed."

f. The statement "For Indoor Residential Use Only" should appear on the front panel.

g. Replace comments 2, 3 and 4 under "Important" with the following "DO NOT use more than one fogger per room. DO NOT use in small enclosed spaces such as closets, cabinets or under counters or tables. Do not use in a room 5 ft. x 5 ft. or smaller, instead allow fog to enter from other rooms. Turn off All ignition sources such as pilot lights (shut off gas valve), other open flames or running electrical appliances that cycle off and on (i.e., refrigerators, thermostats, etc.) Call your gas utility or management company if you need assistance."

h. Under "How to Use" delete the statements beginning, "Put out all flames except xxx etc." and Do not use fogger in areas xxx etc" or replace with appropriate statements given in paragraph g above.

3. Submit two (2) copies of your final printed labeling before you release the product for shipment. Refer to the A-79 enclosure for a further description of final printed labeling.

If these conditions are not complied with, the registration will be subject to cancellation in accordance with FIFRA section 6(e). Your release for shipment of the product constitutes acceptance of these conditions.

A stamped copy of the label is enclosed for your records.

PRECAUTIONARY STATEMENTS
Hazards to Humans and Domestic Animals

CAUTION: Harmful if swallowed. Avoid breathing vapors or spray mist. Avoid contact with skin or eyes. In case of contact, flush with plenty of water. Wash with soap and warm water after use. Obtain medical attention if irritation persists. Remove contaminated clothing and wash before reuse. Avoid contamination of food or feedstuffs.

X Do not use in commercial food processing, preparation, food storage or serving areas. In the home, all food processing surfaces and utensils should be covered during treatment, or thoroughly washed before use. Exposed food should be covered or removed.

Remove pets, birds, and cover fish aquariums before spraying.

FIRST AID

IF SWALLOWED: Call a physician or Poison Control Center immediately. Drink 1 or 2 glasses of water and induce vomiting by touching back of throat with finger. Do not induce vomiting or given anything by mouth to an unconscious or convulsing person.

IF IN EYES: Flush with plenty of water. Get medical attention if irritation persists.

IF ON SKIN: Wash skin with soap and warm water. Get medical attention if irritation persists.

IF INHALED: Remove victim to fresh air. Apply artificial respiration, if indicated.

ENVIRONMENTAL HAZARDS

This pesticide is extremely toxic to fish and other aquatic organisms. Do not contaminate water by direct application or disposal of wastes.

PHYSICAL OR CHEMICAL HAZARDS

Contents under pressure. Keep away from heat, sparks and open flame. Do not puncture or incinerate container. Exposure to temperatures above 130°F may cause bursting.

X **IMPORTANT!** To avoid **FLAMMABILITY HAZARD**, use can as follows: 1) Only one can per room. 2) Do not place in cabinet or under counter or table. 3) Shut off electrical equipment. 4) Place can at least 6 feet from pilot lights.

DIRECTIONS FOR USE

It is a violation of Federal law to use this product in a manner inconsistent with its labeling.

X For Indoor Residential Use Only.

WHEN TO USE: Use when insects are observed or suspected to be present. **DRAGON® Total Release Fogger** will kill the following hidden or exposed insect pests: Ants, Bed bugs, Cockroaches, Confused, Flour Beetles, Crickets, Firebrats, Fleas, Flies, Mosquitoes, Pill Bugs, Rice Weevils, Saw-toothed Grain Beetles, Silverfish, Small Flying Moths, Ticks and Yellow Mealworms.

WHERE TO USE: For use in Homes, Kennels, Pet Sleeping Areas, Household Storage Areas, Garages, Campers, Offices, Boats.

6/16

For *Fleas and Ticks*, remove and replace pet's old bedding. Use product as directed. Treat dogs and cats with a flea and tick control product prior to re-entry.

One 6 ounce aerosol can treats up to 6,000 cubic feet of unobstructed area (a 30'x25'x8' room).

HOW TO USE:

PREPARING AREA: Open cupboards, cabinets, and doors to area to be treated. Close all outside doors and windows. Turn off all fans, air conditioning and electrical appliances. Put out all flames except pilot lights (keep can at least 6' away from pilot lights). Remove pets, birds, and tightly cover or remove fish bowls and aquariums before spraying. Cover waxed wood floors and waxed furniture in the immediate area surrounding the fogger (newspapers may be used). Remove or cover exposed foods, dishes, utensils or food preparation equipment. All food handling surfaces should be covered during treatment or thoroughly cleaned before using. Place can in the middle of the room on a stand, table or place on the floor. Place several layers of newspapers under the can to prevent marring of surface. Do not use fogger in an area less than 100 cubic feet.

X

ACTIVATING FOGGER: SHAKE WELL BEFORE USING. KEEP CONTAINER UPRIGHT. Point top of can away from face and eyes. Keep at arm's length when activating. To activate, depress tab on top of aerosol until locked. Place activated fogger on newspaper, leave room and close door. Do not re-enter the treated area for at least 2 hours. After re-entry, open all doors and windows and ventilate area for at least 30 minutes. Repeat as desired or when necessary. Do not place activated fogger in a cabinet or under a counter or table.

STORAGE: Store in a cool dry area inaccessible to children and pets and away from heat, sparks or open flame.

DISPOSAL: Replace cap, wrap container in several layers of newspaper and discard in trash. Do not incinerate or puncture.

NOTICE: Buyer assumes all risks of use, storage or handling of this material not in strict accordance with DIRECTIONS and CAUTIONS stated on this label.
