WASHINGTON, D.C. 20460

OFFICE OF PREVENTION, PESTICIDES AND TOXIC SUBSTANCES

DEC 1 0 2003

Mr. Thomas C. McEntee VP Regulatory Compliance Dragon Chemical Corporation 71 Carolyn Blvd. Farmingdale, NY 11735-1527

Subject:

Response to Agency's September 16, 2003 Letter

EPA Reg. No. 16-168 Wasp, Hornet & Yellow Jacket Killer Your Submission Dated October 22, 2003

Dear Mr. McEntee:

The labeling referred to above, submitted in connection with registration under the Federal Insecticide, Fungicide, and Rodenticide Act, as amended, is acceptable subject to the comment listed below. Two (2) copies of the finished labeling must be submitted prior to releasing the product for shipment. A stamped copy of the label is enclosed for your records.

1. Under Directions for Use replace "USDA" with "Federally inspected".

If you have any questions regarding this action, please contact Olga Odiott of my team at (703) 308-9369.

Sincerely,

George T. LaRocca Product Manager (13)

Insecticide Branch

Registration Division (7505C)

# DRAGON WASP, HORNET & YELLOW JACKET KILLER: •

Nothing Beats The Dragon! Stops Stinging Insects Gives Fast Knockdown and Quick Kill Kills Fast Kills on Contact Kills Hornets and Wasps on Contact Kill Wasps and Hornets on Contact Residual Action Kills Insects Returning to Nest Residual Action Keeps on killing Non-staining 22 Ft. Jet Spray Jet Blast 22 Feet Jet Spray - Reaches nests Up to 30 Feet Above Ground Kills the Entire Nest Quick Knockdown Gives Knockdown & Kill of Wasps, Hornets & Yellow Jackets Non Conductive Up To 47,300 Volts

[NOTE TO EPA: Front panel of label may include graphics representing use, e. g. insect listed.]

#### **ACTIVE INGREDIENTS:**

*Tetramethrin	0.10%
**Permethrin	0.25%
***Piperonyl Butoxide, Technical	0.50%
INERT INGREDIENTS:	
TOTAL:	

\*1-cyclohexene-1,2-dicarboximidomethyl-2, 2-dimethyl-3-(2-methylpropenyl) cyclopropanecarboxylate.

\*\*(3-phenoxyphenyl)methyl (+/-)cis/trans 3-(2,2-dichloroethenyl) 2,2-dimethylcyclopropanecarboxylate. Cis/trans ratio: min. 35% (+/-) cis and max. 65% (+/-) trans.

\*\*\*Equivalent to min. 0.4% (butylcarbityl)(6-propylpiperonyl) ether and 0.1% related compounds.

+ Contains petroleum distillates.

Keep Out Of Reach Of Children

# **CAUTION**

ACCEPTED
with COMMENTS
In EPA Letter Dated

Under the Federal insecticide, Fungicide, and Rodenticide Act, as amended, for the pesticide registered under EPA Reg. No.

PHYSICAL OR CHEMICAL HAZARDS: Flammable. Contents under pressure. Keep away from heat, sparks and open flame. Do not puncture or incinerate container. Exposure to temperatures above 130° F. may cause bursting.

#### **DIRECTIONS FOR USE**

It is a violation of Federal law to use this product in a manner inconsistent with its labeling. Read entire label. Do not use in commercial food/feed handling establishments, restaurants or other sites where food/feed is commercially prepared or processed served or stored.. Not for use in USDA meat and poultry plants.

#### To Kill Wasps, Hornets, and Yellow Jackets.

WHERE TO USE: Use outdoors on nests, under eaves, around screens and window frames, doors, patios, cracks, or as a direct contact spray to kill menacing insects. Use indoors in attics where nests may be found.

HOW TO USE: For best results, spray in early morning or late evening when insects are least active. Stand a safe distance from nest and not directly underneath. Remove protective cap. With wind at your back, hold container upright at arm's length and aim the valve opening toward the nest. Depress button and thoroughly soak the nest with spray. Residual action will kill insects returning to the nest. Wait at least 24 hours before removing the nest. For residual control of stinging insects under eaves, around screens and window frames, doors, patios, cracks, crevices or other locations, spray to wet surfaces (1-2 seconds). To prevent entrance into the house, spray around points where insects enter such as outside plumbing, faucets, etc., and cracks or crevices in foundation as well as along sills and ledges.

4 3 4

Do not spray on trees, shrubs, ornamental plants or grass. If spray accidentally contacts foliage, immediately wash with water. Avoid spraying asphalt, rubber and plastic materials.

### STORAGE & DISPOSAL

STORAGE: Do not store near heat or open flame. Store in a cool dry area inaccessible to children and pets.

Do Not Puncture or Incinerate!

If Empty: Place in trash or offer for recycling is available.

If partly filled: Call your local solid waste agency or call CHEMTREC AT 1-800-424-9300 for disposal instructions.

NOTICE: Buyer assumes all risks of use, storage or handling of this material not in strict accordance with DIRECTIONS and CAUTIONS stated on this label.

NO CFCs. Contains no CFCs or other ozone depleting substances. Federal regulations prohibit CFC propellants in aerosols.
