

# Cleaner - Disinfectant

SANIKLEEN is an economical and powerful cleaner-disinfectant which acts quickly in ridding surfaces of dirt and grime, at the same time leaving these surfaces disinfected. SANI-KLEEN eliminates odors by killing the odorcausing bacteria, and has a phenol coefficient of 14 against Salmonella typhosa (S. typhosa) and 20 against Staphylococcus aureus. This product will pass the Use Dilution Confirmation Test at 2 ounces per gallon when tested against the organisms S. aureus, S. choleraesuis and P. aeruginosa.

DIRECTIONS FOR USE: To clean and disinfect most surfaces, use 2 ounces of SANIKLEEN per gallon of water. Apply liberally, using a mop, cloth or sponge.

For cleaning and disinfecting in and around toilet bowls, urinals, sinks, fixtures, etc., use 3 ounces of SANIKLEEN per gallon of water.

For cleaning and disinfecting floor surfaces such as wood, linoleum, cement, terrazzo, asphalt tile, rubber, etc., use 2 ounces of SANIKLEEN per gallon of water - may be used on conductive floors without any deleterious effects.
