

0544

**DIRECTIONS FOR USE:**

Clean Front Concentrate may be used to formulate germicides and detergent-sanitizers which do not require rinsing after being adequately drained from food processing surfaces, in accordance with Federal Regulation No. 121.2547. In order for finished products to qualify with this regulation, the additional detergent as well as all other added ingredients must be within the specification limits set forth in the regulation. The regulation applies only to use-dilutions which provide not in excess of 25 ppm of titratable iodine.

Clean Front Concentrate is formulated from biodegradable detergents, and should be formulated with additional detergents which are, themselves, biodegradable.

This product is sold subject to invoice terms and is for production of environmental sanitation products only.

# Clean Front Concentrate

**FOR USE IN FORMULATION OF ECONOMIC POISONS ONLY**

**ACTIVE INGREDIENT:**

Alpha-(p-nonylphenyl)-omega-hydroxypoly(oxoethylene)-iodine complex. (Provides 20% minimum titratable iodine) 92.0%

**INERT INGREDIENT:**

Water 8.0%

Total 100.0%

U.S. Patent Nos. 3,028,299, 2,931,777

EPA Reg. No. 50490-AA

**DANGER:** Keep Out Of Reach Of Children.

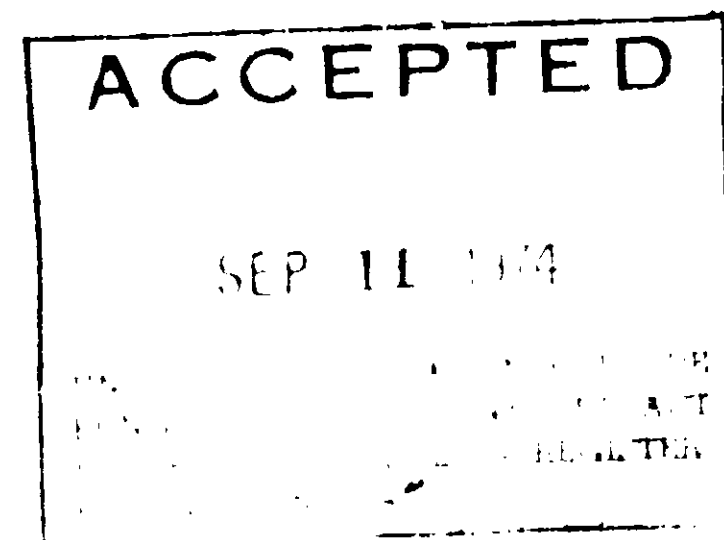

CORROSIVE TO EYES.

(See right panel for additional precautions.)

**NET WEIGHT: 565 POUNDS**

Manufactured By  
**AGRO-CHEMICAL, INC.**  
A SUBSIDIARY OF  
WEST CHEMICAL PRODUCTS INC  
New York, N.Y. 11101

**DANGER:** AGE AND DO NOT get in clothing. V shield and handling. F lowed. Av food.

**First Aid:** I mediately f plenty of minutes. F cian. Remo nated cloth If swallow large quant gelatin sol available. d water. Avoi cian immec

**Note to Ph** cosal dama the use of ures. Agair respiratory vulsion may

Reuse empt with water drum recor

**DANGER:** CAUSES EYE DAMAGE AND SKIN IRRITATION. Do not get in eyes, on skin or on clothing. Wear goggles or face shield and rubber gloves when handling. Harmful or fatal if swallowed. Avoid contamination of food.

**First Aid:** In case of contact, immediately flush eyes or skin with plenty of water for at least 15 minutes. For eyes, call a physician. Remove and wash contaminated clothing before reuse.

If swallowed, drink promptly a large quantity of milk, egg whites, gelatin solution or if these are not available, drink large quantities of water. Avoid alcohol. Call a physician immediately.

**Note to Physician:** Probable mucosal damage may contraindicate the use of gastric lavage. Measures against circulatory shock, respiratory depression and convulsion may be needed.

Rinse empty container thoroughly with water before returning to drum reconditioner or discarding.
