BACTERIOSTATIC

# super westfoam concentrate

A PROFESSIONAL RUG SHAMPOO

**ACTIVE INGREDIENT:**

Disodium 2,2'-Thiobis (4,6-dichlorophenoxide).....0.35%

**\*INERT INGREDIENTS:**.....99.65%

~~\*13.8% of Inert Ingredients are active as cleaning agents.~~

Especially formulated for "in place cleaning" of all types of carpeting, including wool, cotton, nylon, acrylic, and other synthetic fibers. Bacteriostatic — Prevents multiplication of bacteria.

**CONTAINS:**

Miliclor — To inhibit bacteria, prevent mildew and musty odors.

Briteen — To make light colored carpets bright.

Super Westfoam Concentrate contains biodegradable detergents.

Requires less water for use — less chance to overwet carpets.

Unaffected by hard water.

**CAUTION:** Keep Out Of Reach Of Children.

~~Avoid Eye and Prolonged Skin Contact.~~

avoid contact with eyes. Avoid prolonged skin contact.

manufactured by

**WEST CHEMICAL PRODUCTS, INC.**

42-16 WEST STREET LONG ISLAND CITY, N.Y. 11101

Minimizes Overwetting, Easy to Use.  
Odor Treated, Dry Foaming Action.

**DIRECTIONS:**

1. Vacuum carpet to remove loose soil or grime.
2. Mix one (1) part of Super Westfoam Concentrate with sixteen (16) parts of warm water. Put solution in solution tank of scrubbing machine.
3. Be certain brush is clean before applying Super Westfoam Concentrate. Release a small amount of solution and begin scrubbing action.
4. Overlap previously scrubbed area.
5. For best results, carpets should be allowed to dry thoroughly before being subjected to traffic.
6. Use special carpet brush attachment on vacuum to lift nap of rug after cleaning.
7. Avoid overwetting if used in other than dry foam machines.

Not Intended For Use As A Terminal Disinfectant.
