Revised copy for a proposed new label, Identified as FSN: 6840-089-4664, RODENTICIDE, DIPHACIN, BAIT BLOCKS Rodenticide

Proposed copy for Identification Tag, to be attached to product identified as FSN 6840-089-4664, RODENTICIDE, DIPHACIN, BAIT BLOCKS Rodenticide

FSN 6840-089-4664
RODENTICIDE, DIPHACIN
BAIT BLOCKS Rodenticide

Front side of identification tag:

Suggested Use: One block to be placed near the center of each Type I and Type II conax. The red tape to be lead to the outside of the box in such a manner as to be clearly visible when the door is closed.

WARNING
POISON, DIPHACIN

In larger van containers and other military equipment and containers, one block is to be used for each 5 linear feet or as needed, evenly spaced throughout the length of the container or equipment. The block nearest the door to have its red tape led to the outside so as to be clearly visible.

This container has been treated for rodent control with the rodenticide block attached to the end of this tape. Consignee DESTROY any residue of the rodenticide block at destination. Antidotal and caution instructions appear on the reverse side.

CAUTION: Protect from children, pets and domestic animals. If accidentally swallowed, call a physician immediately. Treat as for overdose of DICUMAROL anti-coagulant.

CAUTION: KEEP OUT OF REACH OF CHILDREN
