Attention: Mr. H. R. McLane

**Subject: J.T. Eaton AC Formula® 90® Rodenticide
EPA Reg. No. 56-58
Our letter of October 23, 2003
Your amended application of January 23, 2004
Revised labeling**

- Purpose** Your submission revises your label according to our October 23, 2003, letter.
- Label review** The labeling submitted with the above letter, under the Federal Insecticide, Fungicide, and Rodenticide Act (FIFRA) is acceptable, provided you submit one (1) copy of final printed labeling to us, with the following changes, before you ship your product.
1. Since you have combined your emergency information together in your "FIRST AID" section, including the section "EMERGENCY INFORMATION" appears to be redundant.
 2. You need "STORAGE AND DISPOSAL" texts for household and non-household sizes. See Enclosure 1.
- A copy of the stamped label is enclosed for your records.
- Existing stocks** Stocks of existing labels may be used for eighteen (18) months.
- Consequence for non-compliance** If these conditions are not complied with, the registration will be subject to cancellation in accordance with FIFRA section 6(e). Your release for shipment of the product constitutes acceptance of these conditions.

Questions If you have questions about this letter, please contact me at 703-305-5407 (by phone), 703-305-6596 (by fax), or peacock_dan@epa.gov (by E-Mail).

Sincerely yours,

Daniel B. Peacock, Biologist
Insecticide-Rodenticide Branch
Registration Division (7504C)

- Enclosures**
1. Storage and Disposal texts for household and non-household sizes
 2. Stamped label
 3. Minimum Type Size for Final Printed Labels

Letter Dan Peacock, Disk139,A:\Chlorophacinone\56-58, revised label,2-12-2004.wpd

Enclosure 1. Storage and Disposal Texts for EPA Reg. No. 56-58**A. Household Sizes (1 lb)****STORAGE AND DISPOSAL**

STORAGE: Store only in original container, in a cool, dry place inaccessible to children and pets.

DISPOSAL: **If empty:** Do not reuse empty container. Place in trash or offer for recycling if available.

If partly filled: Call your local solid waste agency or for disposal instructions. Never place unused product down any indoor or outdoor drain.

B. Household Sizes**STORAGE AND DISPOSAL**

Do not contaminate water, food or feed by storage or disposal.

STORAGE: Store only in original container, in a cool, dry place inaccessible to children and pets.

PESTICIDE DISPOSAL: [Choose 1 of 3 statements on Page 4 of PR Notice 83-3:

Acutely Hazardous (RCRA E List), use para 2,

PESTICIDE DISPOSAL: Pesticide wastes are acutely hazardous. Improper disposal of excess pesticide, spray mixture, or rinsate is a violation of Federal law. If these wastes cannot be disposed of by use according to label instructions, contact your State Pesticide or Environmental Control Agency, or the Hazardous Waste representative at the nearest EPA Regional Office for guidance.

Toxic (RCRA F List), use para 4, or
Other, non-household products, use para 6.]

CONTAINER DISPOSAL: [See Appendix A, Page 7 of PR NOTICE 83-3.]

DIRECTIONS FOR USE

It is a violation of Federal law to use this product in a manner inconsistent with its labeling.

READ THIS LABEL. Read this entire label and follow all use directions and use precautions.

IMPORTANT: Do not expose children, pets, or other nontarget animals to rodenticides. To help prevent accidents:.....

1. Store product not in use, in a location out of reach of children and pets.
2. Apply bait in locations out of reach of children, pets, domestic animals, and nontarget wildlife or in "tamper-resistant" bait stations. These stations must be resistant to destruction by dogs and by children under six years of age and must be used in a manner that prevents such children from reaching into bait compartments and obtaining bait. If bait can be shaken from stations when they are lifted, units must be secured or otherwise immobilized. Even stronger bait stations are needed in areas open to hoofed livestock, raccoons, bears, or other potentially destructive animals, or in areas prone to vandalism.
3. Dispose of product container, and unused, spoiled, and unconsumed bait as specified on this label.

STORAGE AND DISPOSAL

STORAGE: Store this product in its original container in a dry, cool, area out of reach of children and pets. Do not contaminate water, foodstuffs, feed, or seed by storage or disposal.

PRODUCT DISPOSAL: As a responsible environmental practice, where possible, it is recommended that all of the contents of the container be used, carefully following label directions and precautions.

IF EMPTY: Do not reuse this container. Place in trash or offer for recycling if available.

IF PARTLY FILLED: Call your local waste agency or 1-800 CLEANUP for disposal instructions.

SPILL: Collect product and use as directed, or dispose of material according to IF PARTLY FILLED directions above. 01-24-04.

EMERGENCY INFORMATION

For emergency information on this pesticide [product including health concerns, including medical emergencies, or pesticide incidents, call 1-800-664-9042 or the national Pesticide Communications Network 1-800-858-7578.

PRECAUTIONARY STATEMENTS

HAZARD TO HUMANS AND DOMESTIC ANIMALS

CAUTION: Keep away from feed or foodstuffs. May be harmful if swallowed or absorbed through the skin. Keep away from humans, domestic animals and pets. Keep away from feed or foodstuffs. Wear gloves when handling this product.

ENVIRONMENTAL HAZARD

This product is toxic to fish and wildlife. Do not apply this product directly to water.

FIRST AID

Have label with you when obtaining treatment advise including 1-800-858-7378.

If swallowed	<ul style="list-style-type: none"> •Call a Poison Control Center or doctor or 1-800-858-7378 immediately for treatment advice. •Have person sip a glass of water if able to swallow. •Do not induce vomiting unless told to by a poison control center or a doctor.
If on skin or clothing	<ul style="list-style-type: none"> •Take off contaminated clothing. •Rinse skin immediately with plenty of water for 15 to 20 minutes. •Call a poison control center, doctor immediately for treatment advice.

NOTE TO PHYSICIAN: -

This material may reduce the clotting ability of the blood and cause bleeding. If ingested, administer Vitamin K, intramuscularly or orally. Repeat as necessary based on monitoring of prothrombin times.

Call the National Pesticide Information Center, (NPIC) for advise on pesticide medical emergencies, incidents and concerns. 1-800-8458-7378

USE RESTRICTIONS

For control of Norway Rats, Roof Rats, House Mice in and around homes, industrial and agricultural buildings and similar man made structures. Do not place bait in areas where there is a possibility of contaminating food, water, or surfaces that come in direct contact with food. Do not broadcast bait.

SELECTION OF TREATMENT AREAS

Determine areas where rats and mice will most likely find and consume the bait. Generally, these are along walls, by gnawed openings, in or beside burrows, in corners and concealed places, between floors and walls, or in locations where rodents or their signs have been seen. Protect bait from rain or snow. Remove as much food as possible.

APPLICATION DIRECTIONS:

The amount of bait in one 4 ounce place pack of this product is unlikely to be sufficient to kill more than one or two rats.

• **For Rats:** Apply 1 to 4 place packs (4 to 16 oz. of bait) per placement. Maintain an uninterrupted supply of fresh bait for at least 10 days.

• **For Mice:** Open pack, while wearing gloves, and apply 1/4 to 1/2 ounce of bait at 8 to 12 foot intervals. Larger placements (up to 2 ounces), may be needed at points of very high mouse activity. Maintain an uninterrupted supply of fresh bait for at least 15 days.

• **For Rats and Mice:** Replace contaminated or spoiled bait immediately. Collect and dispose of all dead animals and any leftover bait properly. To prevent reinfestation, limit as many sources of food, water, and harborages as much as possible. If reinfestation does occur, repeat treatment. Where a continuous source of infestation is present, establish permanent bait stations and replenish with fresh bait as often as needed. 07-29-03

NOTICE: Buyer assumes all risks of use, storage or handling of this material not in strict accordance with directions given herewith. The efficacy of the product may be reduced under high moisture conditions.
