## UNITED STATES ENVIRONMENTAL PROTECTION AGENCY

WASHINGTON, D.C. 20460

OFFICE OF  
PREVENTION, PESTICIDES  
AND TOXIC SUBSTANCES

SEP 11 2003

J.T. Eaton & Co., Inc.  
c/o Mr. H.R. McLane, Inc.  
7210 Red Road, Suite 206A  
Miami, FL 33143-5321

Subject: Amendment Updating First Aid and Disposal per PR Notices 2001-1 and 2001-6  
JTEATON Answer® II  
EPA Reg. No. 56-68  
Your Submission Dated June 30, 2003

Dear Mr. McLane:

The labeling referred to above, submitted in connection with registration under the Federal Insecticide, Fungicide, and Rodenticide Act, as amended, is acceptable subject to the comments below. Two (2) copies of the finished labeling must be submitted prior to releasing the product for shipment. A stamped copy of the label is enclosed for your records.

1. Correct the text formatting in the last line of the Storage and Disposal section. The words "of material according to" run together on the submitted labeling.
2. Update the product name in the heading "Indoor Insects Killed by JTEATON Answer® II".

If you have any questions regarding this action, please contact Susan Stanton of my team at (703) 305-5218.

Sincerely,

George T. LaRocca  
Product Manager (13)  
Insecticide Branch  
Registration Division (7505C)

Enclosure

# EATON

## Answer<sup>®</sup> II

[Contains Silicon Dioxide and Synergized Insecticide]

EPA Reg. No. 56-68

EPA Est. No. 56-OH-1

**ACTIVE INGREDIENTS:**

Pyrethrin - - - - -	0.10%
Piperonyl Butoxide* - - - - -	1.00%
Diatomaceous Earth ( Including Silicon Dioxide and other oxides) - - - - -	95.00%
OTHER INGREDIENTS: - - - - -	3.90%
<b>TOTAL</b>	<b>100.00%</b>

\*Equivalent to 0.8% (butylcarbityl)(6-propylpiperonyl) ether and 0.2% related compounds

**KEEP OUT OF REACH OF CHILDREN.**  
**CAUTION**

See side panel for additional Precautionary Statements

#### FIRST AID

**IF SWALLOWED** - Call a Poison Control Center or doctor immediately for treatment advice. Have person sip a glass of water if able to swallow. Do not induce vomiting unless told to by a poison control center or doctor. Do not give anything by mouth to an unconscious person.

**IF IN EYES** - Hold eye open and rinse slowly and gently with water for 15 to 20 minutes. Remove contact lenses, if present, after 5 minutes, then continue rinsing. Call a poison control center or doctor for treatment advice.

**IF ON SKIN OR CLOTHING**: Take off contaminated clothing. Rinse skin immediately with plenty of water for 15 to 20 minutes. Call a poison control center or doctor for treatment advice.

**IF INHALED**: Move person to fresh air. If person is not breathing, call 911 or an ambulance, then give artificial respiration, preferably mouth to mouth if possible. Call a poison control center or doctor for further treatment advice. Have this product container or label with you when calling a poison control center, or doctor, or when going for treatment. You may also call 1-800-858-7378 for emergency medical treatment advice.

Net Weight 12 Ounces Other Sizes (6 oz. - 8 oz. - 1 lb.)

#### PRECAUTIONARY STATEMENTS

**HAZARDS TO HUMANS AND DOMESTIC ANIMALS**  
**CAUTION:** Harmful if absorbed through skin. Avoid contact with eyes, skin or clothing. Wash thoroughly with soap and water after handling.

#### STORAGE AND DISPOSAL

**STORAGE:** Store this product in its original container in a dry, cool, secured area. Do not contaminate water, foodstuffs, feed, or seed by storage or disposal.

**PRODUCT DISPOSAL:** As a responsible environmental practice, where possible, it is recommended that all of the contents of the container be used, carefully following label directions and precautions. **IF EMPTY:** Do not reuse this container. Place in trash or offer for recycling if available.

**IF PARTLY FILLED:** Call your local waste agency or 1-800-CLEANUP for disposal instructions. Never place unused product down any indoor or outdoor drain.

**SPILL:** In case of spill, sweep up and use as directed or dispose of material according to **IF PARTLY FILLED** directions above.

#### READ ENTIRE LABEL BEFORE EACH USE

##### DIRECTIONS FOR USE

It is a violation of Federal law to use this product in a manner inconsistent with its labeling. This product is designed for both homeowners and professionals and gives fast effective insect control when powder is dry or even when it becomes moist or wet.

#### PET POWDER: FOR DOGS or CATS ONLY

For control of Fleas, Ticks and Lice on Dogs and Cats only, sprinkle the dust over the back line of the pet and rub into the hair at the neck, ears, and rump until dust reaches pet's skin. Dust the belly, chest and neck and the insides of legs. Inspect ears, etc. for presence of Ticks and directly dust any that may be present. Do not get dust into pet's eyes or mouth. **Do not use on puppies or kittens under 12 weeks of age.** Dust pet sleeping quarters and replace with fresh bedding. Lightly "Puff" dust on to fresh bedding to deposit a barely visible thin film of residual dust for continued control. Repeat treatment every 7 to 10 days or as needed. **Consult a veterinarian before using this product on debilitated, aged, pregnant, medicated or nursing animals. Sensitivities may occur after using ANY pesticide product for pets. If signs of sensitivity occur, bathe your pet with mild soap and rinse with large amounts of water. If signs continue, consult a veterinarian immediately.**

#### HOME / RESIDENTIAL PEST CONTROL

Shake the container/applicator of this product vigorously to fluff the dust. To apply, remove lid and squeeze/puff the dust through the perforated cap.

#### INDOOR INSECTS KILLED BY EATON'S ANSWER<sup>®</sup> II

Ants, Boxelder bugs, Cockroaches, Crickets, Elm Leaf Beetles, Fleas, Houseflies coming to rest on treated surfaces, Millipedes, Silverfish, Sowbugs, Ticks, even Garden Slugs entering indoor porch or patio areas which have been treated.

#### WHERE TO APPLY

Apply behind stoves, refrigerators, under sinks, along baseboards, under the edges of rugs, in cracks and crevices, in window/storm window sills and frame openings, on and beneath porches and indoor patios where insects may accumulate and other places where insects are seen or breed. Use from 1 to 3 ounces of dust per room. For control of crawling insects (including cockroaches) indoors apply this product lightly to any area where crawling insects are seen, breed or have become a nuisance. For control, insects must come in contact with the dust.
