Item #360

DIRECTIONS*, OR USE

It is a violation of Federal law to use this product in a manner inconsistent with its labeling. This product may be used in homes, restaurants and other food and food handling establishments, markets, shops, warehouses, factories, offices, hotels, motels, hospitals, nursing homes, garages, grocery stores, apartment buildings, new construction, industrial plants, theaters, shops, boats, yachts, trucks, yachts, camps, mobile homes, buses, vans, kennels, military bases, floraries, utility and sewers.

FOR HOMEOWNER USE

Use Restrictions: Apply only in areas inaccessible to children and pets. Avoid contamination of feed and foodstuffs. Do not treat pets with this product. Avoid contamination of ornamental plants.
Application Directions: To control cockroaches, ants and silverfish, apply liberally scattering under and behind refrigerators, stoves, sinks, dishwashers, washing machine and dryer, tubs, into openings around drains, water pipes and electrical conduits, and in cracks and crevices along baseboards and corners of cabinets, cupboards, and closets. Remove all lower drawers in kitchen and bathroom cabinets, bedroom dressers and chest of drawers, then scatter liberally in drawer wells. Any powder visible after application must be brushed into cracks and crevices or removed. Reapply as necessary.

***AS AN AID IN CONTROL OF FLEAS**

This product will control fleas when dusted over flooring (cement, wood, tile, linoleum, etc.), along base boards and in household areas (excluding carpeting, rugs and upholstery) where fleas have become a problem. Apply only when children and pets do not have access to treatment areas during application. Close off the treated areas for as long as possible. Do not allow children or pets into treatment areas until all visible dust is swept, mopped or crevices or removed. After flea control is accomplished thoroughly vacuum the area. Treat flooring beneath and around pets bedding and sleeping quarters, in garages, porches, crawl spaces and in pet shelters. Repeat as necessary to control fleas in these areas. For control of fleas on pets use an EPA approved product for such use on pets.

INSTRUCCIONES DE USO

El utilizar este producto de manera que no cumple con las instrucciones presentadas en la etiqueta representa una violación de la Ley Federal. Este producto puede ser usado en casas, restaurantes u otros establecimientos donde se prepara comida, mercados, escuelas, bodas, fábricas, oficinas, hoteles, hospitales, garages, tiendas de comestibles, apartamentos, edificios de nueva construcción, industrias, tiendas, botes, yates, camiones, campamentos, casas de aparos, bibliotecas, servicios públicos y el alcantarillado.

PARA USO EN LOS HOGARES

Restricciones De Uso: Aplique solamente en lugares inaccesibles a los niños o animales domésticos. Evite la contaminación de alimentos o productos comestibles. No aplique este producto directamente en animales domésticos. Evite la contaminación de plantas ornamentales.
Instrucciones De Uso: para controlar cucarachas, hormigas y lieriscas (silverfish). Aplique generosamente el producto debajo y detrás de la nevera, estufa, refrigerador, lavadora de platos, lavadora y secadora de ropa, bañera, alrededor de desagües, tubos y conductos eléctricos, en hendiduras de las paredes y zócalos, detrás de gabinetes y armarios. Saque las gavetas más bajas de los gabinetes de cocina, baño y armarios para aplicar el producto debajo de éstas. Cualquier polvo visible después de la aplicación debe ser barrido hacia adentro o aberturas, o removido. Repita la aplicación según sea necesario.

***PARA EL CONTROL DE PULGAS**

Para el control de pulgas espolvoree sobre los pasos, (por ejemplo, madera, baseboards o alfombra, etc.), a lo largo de los zócalos, y en otros lugares donde haya un problema con pulgas (no aplique sobre alfombras o muebles tapizados). No permita que niños o animales domésticos estén presentes durante la aplicación. Cierre los lugares tratados al tráfico por algún tiempo. No permita que niños o animales domésticos regresen a los lugares tratados antes de que todo el polvo visible sea barrido o aspirado. Una vez que se haya logrado el control de las pulgas limpie el cuarto con una aspiradora mecánicamente. Aplique en el piso debajo y alrededor de las camas de los animales u otros lugares donde estos duermen como, garages, cocinas, sótanos, perreras y espacios angostos cerca de gradas, etc. Repita el tratamiento según sea necesario. Para tratar instalaciones de pulgas directamente en los animales domésticos use solamente productos aprobados por la EPA para el uso en tales animales.

ALMACENAJE Y ELIMINACIÓN
 No almacenar en el estante de manera que pueda contaminar el agua, los alimentos o la comida de los animales.
ALMACENAJE: Almacene en un lugar seco, inaccesible para los niños o animales domésticos.
ELIMINACIÓN: Los desechos producidos por el uso de este producto pueden ser eliminados en el lugar de uso o en una instalación aprobada para la eliminación de desechos.
ELIMINACIÓN DEL ENVASE: No reutilice el envase. Lávelo bien y tirelo a la basura.
