PULVEX

**FLEA
AND
TICK
POWDER
For Dogs**

Stops Scratching & Itching
Due to Fleas and Ticks

NET WEIGHT 3 1/2 OUNCES

**PULVEX FLEA AND TICK POWDER
For Dogs**

Contains dichlorophene as a sanitizing benefit and as an aid in reducing skin odors due to bacterial involvement often associated with fleas and ticks.

DIRECTIONS

TO KILL FLEAS, LICE AND TICKS: Dust entire dog beginning at head and working back, being sure powder gets down to skin especially around feet and legs. Repeat at weekly intervals if necessary. Dust dog's living quarters freely. Fleas pass part of their life cycle off the dog in dust beneath bedding or in cracks and crevices.

Do not use on nursing puppies.

CAUTION: Avoid breathing of dust and contact with skin. Wash hands thoroughly after using. Harmful if swallowed or inhaled. Avoid contamination of food and foodstuffs.

Do not reuse empty container. Destroy it by burying with waste or burning. Stay away from smoke or fumes.

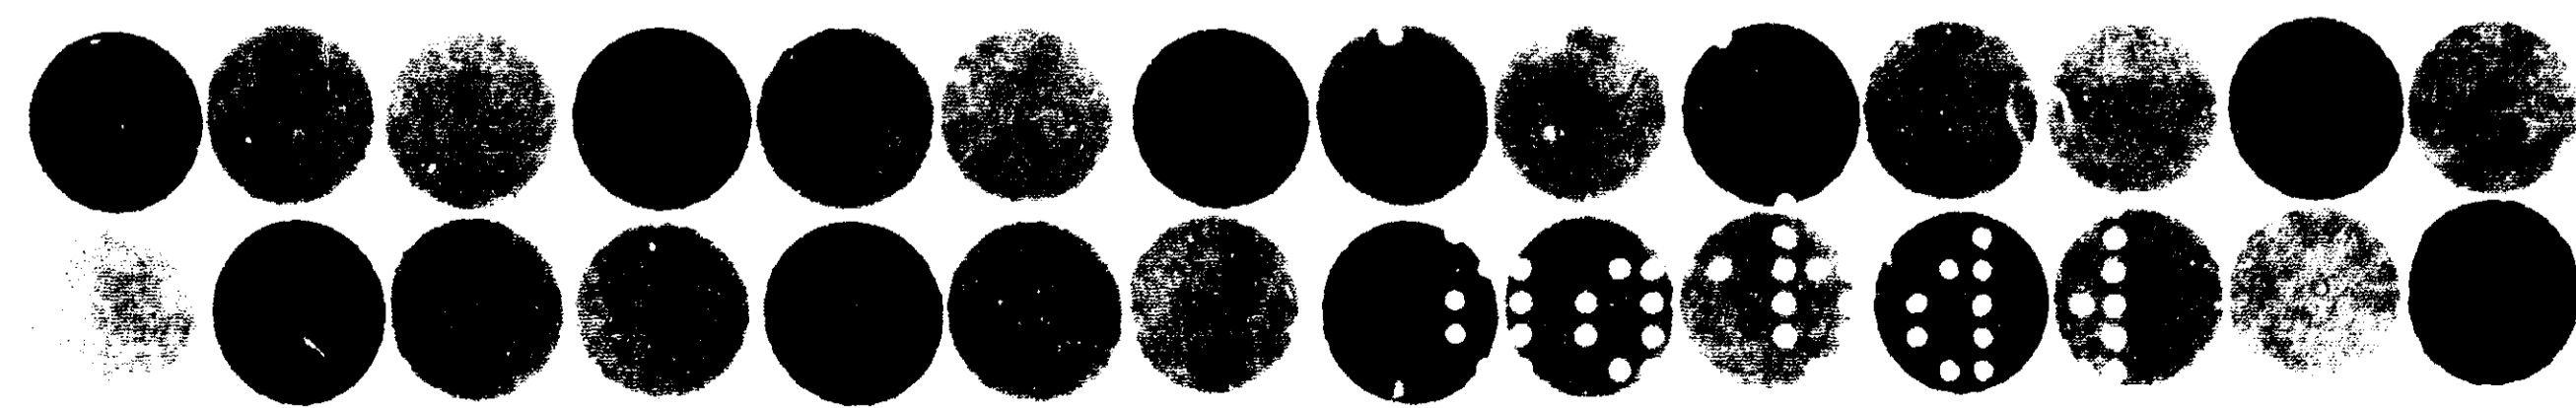

EPA Reg. No. 59-124
