CONTENTS - ONE COLLAR - NET WT. 2 OUNCES

# DIRECTIONS

The Pulvex Deluxe Anti-Flea Cat Collar is adjustable. Place collar around cat's neck, insert end through buckle and adjust for snug fit. If collar is too long cut off excess.

Pulvex Deluxe Anti-Flea Cat Collar is impregnated with lindane which kills the continuously moving fleas on contact and will immediately begin to reduce the population 80-90%.

The collar continues to kill fleas upwards to 6 weeks, depending upon climate conditions. For year 'round protection, replace collar every 6 weeks or as needed. Dust cat's living quarters with PULVEX CAT FLEA POWDER.

CAUTION: Active ingredient harmful if swallowed. Do not allow children to play with this collar. Do not use any other pesticide on pet while collar is worn. Do not use on sick or convalescing animals.

**E. P. A. Reg. No. 59-146**

**ACTIVE INGREDIENT:**

Gamma Isomer of Benzene Hexachloride (from Lindane) . . . . 0.12%
