DIRECTIONS FOR USE

To Kill Hog Lice:

Apply directly to hogs by dusting on animals. Apply to clean, dry bedding. Repeat as required.

To Kill Lice on Beef Cattle:

Dust Dry Insecticide on the animals liberally. A thorough application will give best results. Repeat treatment if necessary.

CAUTION

Harmful if swallowed. Avoid breathing of dust. Avoid contamination of eyes, skin and clothing. Wash after use. Do not contaminate feedstuffs.

Do not apply within 28 days of slaughter. Do not use on dairy animals.

This product is toxic to fish, wildlife and birds. Keep out of any body of water. Do not contaminate water by cleaning of equipment or disposal of wastes.

Apply this product only as specified on this label.

Do not reuse empty container. Destroy it by burying with waste or burning. Stay away from smoke or fumes.
