

**Jen-Sal** **TRITHONIUM**  
**Shampoo**  
 WITH LINDANE

**Active ingredients:**  
 Potassium tetrathionate 2.00%  
 Lindane (gamma isomer of benzene hexachloride) 0.25%

**Inert ingredients:** 97.75%  
 including 8% denatured ethyl alcohol

**EPA Reg. No. 50-192** **EPA Est. 50-MD-1**

A pleasantly scented shampoo for dogs containing potassium tetrathionate, an active form of sulfur in a stabilized solution, and Lindane. Effective washing action helps maintain healthy skin and a lustrous hair coat. Removes skin irritants, fleas, ticks, lice and sarcoptic mange mites.

**CAUTION: Keep Out Of The Reach Of Children.** Irritant to skin. Harmful if swallowed. Avoid contact with eyes and with mucous membranes. May be absorbed through skin. Wash hands with soap and water after use. Do not reuse container. Destroy when empty.

**Precautions:** Do not use on cats. Do not apply to nursing puppies or to puppies under three months of age. Do not use on sick or convalescent animals. Do not use more often than once weekly.

**Directions for Use:** Wet hair thoroughly with warm water. Apply sufficient amount of Shampoo with Lindane to produce an abundant lather. For best results, massage thoroughly and allow lather to remain in contact with the hair and skin for five minutes or longer. Rinse with warm water. Repeat as needed, but not more than once weekly.

**For Veterinary Use Only**
