Dear Mr. Dyer:

Subject: Amended Labeling  
Expar Equine Insecticide/Repellent with Silicone  
EPA Registration Number 59-208  
Your Submission Dated July 14, 1992

The labeling referred to above, submitted in connection with registration under the Federal Insecticide, Fungicide, and Rodenticide Act, as amended, is acceptable, provided that you make the labeling changes listed below before your release the product for shipment bearing the amended labeling:

1. Under Statement of Practical Treatment rearrange the order of categories as follows: IF IN EYES, IF ON SKIN, IF SWALLOWED, NOTE TO PHYSICIAN.
2. Delete the claim "silicone-based." Your product contains approximately 80% water making it "water-based."
3. Qualify the claim "Long Lasting" with a time period.
4. Under Container Disposal complete the sentence as follows: "Wrap bottle and put in trash."

Submit five copies of your final printed labeling before your release the product for shipment.

A stamped copy of the labeling is enclosed for your records.

Sincerely,

George T. LaRocca
