**PRECAUTIONARY STATEMENTS  
HAZARDS TO HUMANS  
AND DOMESTIC ANIMALS  
CAUTION**

Avoid contact with eyes

**STATEMENT OF PRACTICAL TREATMENT**

**If In Eyes:** Immediately flush eyes with water. Get medical attention if discomfort persists.

**If Swallowed:** DO NOT INDUCE VOMITING. Call a physician. Vomiting should be supervised by a physician or the professional staff because of the possible pulmonary damage via aspiration of the solvent.

**ENVIRONMENTAL HAZARDS**

This pesticide is extremely toxic to fish. Use with care when applying to areas adjacent to any body of water. Do not add directly to water. Do not contaminate water by cleaning of equipment or disposal of wastes. Apply this product only as specified on this label.

**PHYSICAL OR CHEMICAL HAZARDS**

Do not use or store near heat or open flame.

**STORAGE AND DISPOSAL**

Do not contaminate water, food or feed by storage or disposal.

**Storage:** Keep container sealed when not in use. Do not store near food or feed. Protect from freezing.

**Pesticide Disposal:** Wastes resulting from the use of this product may be disposed of on site or at an approved waste disposal facility.

**Container Disposal:** Triple rinse (or equivalent). Then dispose of in a sanitary landfill or by other approved State and local procedures.

U.S. Patent No. 4,024,163

**DIRECTIONS FOR USE**

It is a violation of Federal law to use this product in a manner inconsistent with its labeling. Ectiban Wipe-On repels and controls stable flies, horn flies, face flies, eye gnats and house flies on show, race, work or pleasure horses and ponies. Also aids in control of horse flies, mosquitoes and black flies.

**Ready to use:** No dilution necessary. First brush horse's coat to remove excess dirt and dust. Dampen Turkish toweling (not a substitute material) to apply Ectiban Wipe-On. Rub with growth of hair, paying special attention to legs, shoulders and face. For maximum protection apply 2 to 4 ounces per animal. Repeat after 3 to 7 days as necessary; this will vary according to season, climate and cleanliness of animal.

To kill attached ticks, daub Ectiban Wipe-On directly onto tick with a saturated cloth; tick will die within 48 hours.

Avoid using excessive amounts of Ectiban Wipe-On on your horse. Do not soak the skin. Avoid contact with horse's eyes and nostrils.

**NOTICE OF WARRANTY**

COOPERS ANIMAL HEALTH INC. MAKES NO WARRANTY OF MERCHANTABILITY, FITNESS FOR ANY PARTICULAR PURPOSE, OR OTHERWISE, EXPRESSED OR IMPLIED CONCERNING THIS PRODUCT OR ITS USES WHICH EXTEND BEYOND THE USE OF THE PRODUCT UNDER NORMAL CONDITIONS IN ACCORD WITH STATEMENTS MADE ON THIS LABEL.
