feed. Use with adequate ventilation.

FIRST AID — CALL A PHYSICIAN

In case of contact, immediately remove contaminated clothing and shoes. Flush eyes or skin with plenty of water for at least 15 minutes. Wash clothing before reuse. Discard contaminated shoes.

If swallowed, and if conscious, induce vomiting by giving limewater, strong salty water or sticking finger down throat. Repeat until vomit fluid is clear. Never give anything by mouth to an unconscious person.

port to a drum reconditioner or burn empty drums in a commercial incinerator as soon as possible after they have been emptied.

SPILLS: Sweep-up or vacuum all spills. Respiratory protection may be required during sweeping and disposing of vacuum collector contents.

This product is toxic to fish, birds, and other wildlife. Keep out of lakes, streams, or ponds. Do not contaminate water by cleaning equipment or disposal of waste. Use this product only as specified on this label.

WARRANTY: We warrant this material to comply with our published specifications and to be of good merchantable quality and such as will regularly pass in the trade for goods within the description, and further warrant it to be fit for the normal purposes for which such goods are used. We assume no responsibility that this material is fit for any particular purpose outside of the general purposes of goods of the description.
