LAWN INSECTICIDE

Controls Chinch Bugs, Ants, Brown Dog Ticks, Cutworms, Earwigs, Crickets, Grasshoppers, Sowbugs, Turf Grass Weevil and Sod Webworms (Lawn Moths) Infesting Home Lawns and Other Ornamental Turf Areas.

ACTIVE INGREDIENT:

Chlorpyrifos (0,0-diethyl 0-(3,5,6-trichloro-2-pyridyl) phosphorothioate) 0.5%

INERT INGREDIENTS:

99.5%

USE DIRECTIONS

Apply KILL-KO DURSBAN G granular insecticide uniformly to home lawns and other ornamental and recreational turf grass areas using any hand or power operated gravity or rotary type spreader designed for application of granular materials. Treat when insects first appear using KILL-KO DURSBAN G at the rate of 200 pounds per acre. To help obtain uniform distribution, apply one-half the required amount of product in one direction; then apply the balance at a right angle. Immediately after application sprinkle the turf with 1300 gallons of water per acre so as to wash the granules into the zone of insect infestation. Consult the following table to determine amounts of KILL-KO DURSBAN G and water needed for smaller sized areas. Re-treat as necessary.

RATES TO USE

Area to be Treated	Pounds of KILL-KO DURSBAN G	Gallons of Water to Sprinkle on Turf after Treatment
1,000 sq. ft.	5	30
5,000 sq. ft.	25	150
10,700 sq. ft.	50	325

NOTE: To control the Turf Grass Weevil, double the rates shown above.

*Trademark of The Dow Chemical Company

CAUTION

KEEP OUT OF REACH OF CHILDREN
MAY BE HARMFUL IF SWALLOWED

Do not take internally. Avoid eye contact. Flush contaminated eyes with plenty of water, and get medical attention if irritation persists. Wash thoroughly after handling. Wash contaminated clothing before re-use. Keep away from food, feedstuffs and domestic water supplies.

NOTE TO PHYSICIAN: Active ingredient is a cholinesterase inhibitor. Treat symptomatically. Atropine is an antidote.

Keep children and pets off treated areas until this material is washed into the soil and grass is dry.

Dispose of empty container and wastes by burning or by burying in non-croplands away from domestic water supplies.

ENVIRONMENTAL CAUTIONS

This product is toxic to fish, birds, and other wildlife. Keep out of any body of water. Do not apply where runoff is likely to occur. Do not contaminate water by cleaning of equipment, or disposal of wastes.

Apply this product only as specified on this label.

NOTICE: Seller makes no warranty, expressed or implied, concerning the use of this product other than indicated on the label. Buyer assumes all risk of use and/or handling of this material when such use and/or handling is contrary to label instructions or under abnormal conditions not reasonably foreseeable to seller.
