Mr. Devon Morgon  
L. Perrigo Company  
515 Eastern Avenue  
Allegan, MI 49010

NOV - 6 2007

Dear Mr. Morgon:

Subject: Amendment- remove beg bugs and mites  
0.5% Permethrin Aerosol Spray  
EPA Registration Number 71-1  
Your submissions dated August 2 and September 12, 2007

The application referred to above, submitted in connection with registration under the Federal Insecticide, Fungicide, and Rodenticide Act, as amended, is acceptable with the following comments:

1. Under Hazards to Humans move the statements beginning, "Remove pets and birds... and ending", treated areas until surfaces are dry.", to the Directions for Use section of the label. Also add after, "This product is not for use on humans", "If lice infestation occurs on humans, use a product labeled for use on humans."
2. Under Master Label, Optional claims delete all reference to step 1-2-3 or step 3. This system has not been explained anywhere on the label.
3. Under Master Label, Optional claims delete "Various Customer Specific Guarantees". This is a vague statement. We will need to see the various guarantees.
4. Under Master Label optional claims change "control" to "kill" in bullet "In Home Lice Kill Spray".

Please note that a notice of availability of EPA's registration eligibility document (RED) for product containing Permethrin was published in the FR on June 28, 2006 (Vol71 No. 124 page 36788). Additional data and/or labeling changes may be required for products containing Permethrin.

Sincerely yours,

George T. LaRocca  
Product Manager (13)  
Insecticide Branch  
Registration Division (7505P)

READ ENTIRE LABEL BEFORE EACH USE

NET WT 5 OZ (142 g)

MASTER LABEL, SIDE PANEL:

PRECAUTIONARY STATEMENTS

HAZARDS TO HUMANS

CAUTION

Harmful if swallowed or absorbed through skin. Avoid inhalation of spray mist. Causes eye irritation. Avoid contact with skin, eyes or clothing. Wash thoroughly with soap and water after handling. Avoid contamination of feed and foodstuffs. Remove pets and birds and cover fish aquaria before space spraying or surface applications. **This product is not for use on humans.** Vacate room after treatment and ventilate before reoccupying. Do not allow children or pets to contact treated areas until surfaces are dry.

PHYSICAL OR CHEMICAL HAZARDS

Contents under pressure. Do not use or store near heat or open flame. Do not puncture or incinerate container. Exposure to temperatures above 130°F (54°C) may cause bursting.

ACCEPTED  
 with COMMENTS  
 in EPA Letter Dated  
 NOV - 6 2007  
 Under the Federal Insecticide,  
 Fungicide, and Rodenticide Act  
 as amended, for the pesticide  
 registered under EPA Reg. No.  
 71-1

**FIRST AID**

Call a Poison Control Center or doctor immediately for treatment advice. Have product container or label with you when calling a Poison Control Center or doctor or going for treatment.

|                                |   |
|--------------------------------|---|
| <b>If swallowed:</b>           | <ul style="list-style-type: none"> <li>• Immediately call a Poison Control Center or doctor.</li> <li>• Do not induce vomiting unless told to do so by a Poison Control Center or doctor.</li> <li>• Do not give <b>any</b> liquid to the person.</li> <li>• Do not give anything by mouth to an unconscious person.</li> </ul> |
| <b>If in eyes:</b>             | <ul style="list-style-type: none"> <li>• Hold eye open and rinse slowly and gently with water for 15-20 minutes.</li> <li>• Remove contact lenses, if present, after the first 5 minutes, then continue rinsing eye.</li> </ul>   |
| <b>If inhaled:</b>             | <ul style="list-style-type: none"> <li>• Move person to fresh air.</li> <li>• If person is not breathing, call 911 or an ambulance, then give artificial respiration, preferably by mouth-to-mouth, if possible.</li> </ul>   |
| <b>If on skin or clothing:</b> | <ul style="list-style-type: none"> <li>• Take off contaminated clothing.</li> <li>• Rinse skin immediately with plenty of water for 15-20 minutes.</li> </ul>   |

**NOTE TO PHYSICIAN**

Contains petroleum distillate - vomiting may cause aspiration pneumonia.

**DIRECTIONS FOR USE**

It is a violation of Federal law to use this product in a manner inconsistent with its labeling.

**SHAKE WELL BEFORE USING**

Remove protective cap. Hold container upright and spray from a distance of 8-10 inches. Individuals with asthma or severe allergies should consult their doctor before using this product and have someone else apply this product.

**To kill lice and louse eggs:** Spray in an inconspicuous area to test for possible staining or discoloration. Inspect again after drying, then proceed to spray entire area to be treated. Hold container upright with nozzle away from you. Depress valve and spray from a distance of 8 to 10 inches. Spray each square foot for three seconds. Spray to the point of dampness but not run-off. Spray only those garments and parts of bedding including mattresses and furniture, that cannot be either laundered or dry-cleaned. Do not use on pillowcases, sheets or clothing. Allow all sprayed articles to dry thoroughly before each use.

**STORAGE AND DISPOSAL**

**Storage:** Store in a cool, dry area away from children and pets and away from heat, sparks and open flame. Do not transport or store below 32°F (0°C).

**Container disposal:** Do Not Puncture or Incinerate.

**If empty:** Place in trash or offer for recycling if available.

**If partly filled:** Call your local solid waste agency or 1-800-CLEANUP for disposal instructions. Never place unused product down any indoor or outdoor drain.

**NOTICE:** Purchaser assumes all responsibility for safety and use not in accordance with directions.
