BREAKS
PET HABITS

KEEPS DOGS AND CATS AWAY
PROTECTS PLANTS AND PLACES

TO OPERATE. Shake well before using. Remove protective cap. Point valve opening in desired direction. Push button to spray.

DIRECTIONS. Hold container at least 18" from objects being sprayed. When using on plants, spray in a sweeping motion at the rate of 1 sq. foot per second. Avoid wetting plants extensively. Spray lower branches of Evergreen trees and shrubs and surrounding areas. Spray lawns and the ground around beds. Tree trunks may also be sprayed to protect them. Spray on trees, shrubs and lawn, and on cats and other areas where dogs and cats are in the habit of frequenting. Length of protection varies according to climatic conditions. Repeat application as necessary. It is recommended that you do not spray plants or lawns for at least 24 hours after application. Do not spray on contact with children or animals.

BUY DOGONeX INDOOR DOG REPELLENT

to keep your indoor furniture areas free from dog odors. It is recommended that you do not spray on contact with children or animals.
