

U S D A REGISTRATION NO 99-66
WATKINS ANT AND ROACH SPRAY
 ODORLESS STAINLESS RESIDUAL SPRAY
 KILLS EVEN RESISTANT ROACHES, ANTS
 AND FLIES

DIRECTIONS FOR USE

To Operate: Hold can upright and spray infested surfaces only.

Roaches, Ants, Waterbugs, Silverfish, Spiders, Crickets: Spray directly into cracks, around baseboards and other places where these insects hide. Also spray until wet, surfaces behind and beneath cabinets, refrigerators, sinks, stoves. Spray other localized areas infested with these pests. Repeat treatment as required.

Carpet Beetles: Make localized application to areas of the floor and baseboards. Spray directly into cracks and under carpets where insects may be found. Treat crevices, cracks or closets and infested areas of shelving. Repeat as necessary.

Brown Dog Ticks: Thoroughly spray infested areas around baseboards, window and door frames, wall cracks, sleeping quarters of household pets and localized areas of floors and floor coverings. Applications should be repeated as infestations warrant and as re-infestations occur. Fresh bedding should be placed in animal quarters following treatment. Do not treat animals with this formulation.

Flies, Mosquitoes, Wasps and Flying Moths Outdoors: For outdoor use, only as an aid in reducing annoyance from these insects. Spray outside surfaces of screens, doors, window frames, or wherever these insects may enter the room. Also treat surfaces around light fixtures on porches, in garages, and other places where these insects alight and congregate.

Fleas, Chiggers, Ants and Brown Dog Ticks Outdoors: For treatment of a broad infestation of these insects in fields and groups where there is no vegetation, spray in treated areas thoroughly. For ants, treat with this and for ticks. Repeat applications as infestations warrant and as re-infestations occur.

	Active Ingredients	
Pentachlorophenol	71.25%	
DDT	2.50%	
Allyl isothiocyanate	0.25%	
Permethrin	0.25%	
Pyrethrin	0.25%	
Other ingredients	23.50%	

WARNING: Contents under pressure. Do not puncture. Do not use or store near heat or open flame. Exposure to temperatures above 130°Fahrenheit may cause bursting. Never throw container into fire or incinerator.

CAUTION: COMBUSTIBLE MIXTURE. Harmful if swallowed. Avoid contamination of feed or food-stuffs. Avoid repeated or prolonged inhalation and skin contacts; wash thoroughly after using. Do not use on household pets or humans. Remove fish, birds and pets in areas to be treated.
