THE CONTENTS OF THIS PACKAGE
TREATS UP TO 2500 SQUARE FEET

Spectracide[®]

Granular

lawn insect control

OVERALL LAWN APPLICATION

• Spectracide Granules control the following lawn insects on both grass and dichondra lawns:

**Chinch Bugs Earwigs Ticks Ants Lawn Moths (Sod Webworms)
Bermuda Mites Crickets Armyworms Brown Dog Ticks Chiggers
Clover Mites Cutworms Fleas Leafhoppers Sowbugs Millipedes
Springtails (Collembola)**

• Apply Spectracide Granules to your lawn with a fertilizer spreader at the rates shown on the side panel chart. Application should be made when grass is dry. Water lawn lightly after application. Repeat as necessary.

• For application with other types of equipment, or by hand, apply at the rate of 5 lbs. per 1000 sq. ft. (an area 20' by 50') or 8 oz. per 100 sq. ft. (an area 10' by 10'). For heavy lawns such as St. Augustine lawns, application should be increased to 7.5 lbs. per 1000 sq. ft. (or 12 oz. per 100 sq. ft.).

SPOT TREATMENT

ANTS: Apply one tablespoon of Spectracide Granules over and around each individual ant hill.

DIGGER WASPS: Apply one tablespoon of Spectracide Granules in and around each individual ground nest opening. Make the application about dusk when the wasps are not active.

BAND TREATMENT AROUND FOUNDATION

The following insects are commonly found around or near the foundation of houses as well as in the lawn. Certain of these insects may even enter the house.

| | | |
|------------------------|-----------------|---------------------------------|
| Ants | Crickets | Millipedes |
| Brown Dog Ticks | Earwigs | Sowbugs |
| Clover Mites | Fleas | Springtails (Collembola) |

For control of the above insects, apply a five-foot band of Spectracide Granules next to the foundation of the house. Distribute the granules uniformly using a rate of 8 oz. for each 5' by 20' area to be treated.

CAUTION: Avoid breathing of dust. Avoid contact with skin, eyes and clothing. Avoid contamination of feed and foodstuffs. Wash thoroughly after handling. Keep out of reach of children. Harmful if Swallowed. May Be Absorbed Through Skin. Treat lawns in late afternoon. Keep children and pets off treated areas until the following afternoon.

This product is toxic to fish, birds and other wildlife. Birds feeding on treated areas may be killed. Keep out of lakes, streams or ponds. Do not contaminate water by cleaning of equipment or disposal of wastes. Apply this product only as specified on this label.
