PRAMITOL® SPS

Pelleted Herbicide

For control of weeds in noncrop areas

ACCEPTED

AUG 28 1969

UNDER THE FEDERAL INSECTICIDE
FUNGICIDE AND RODENTICIDE ACT
FOR ECONOMIC PEST CONTROL REGISTERED
ED UNDER NO. 100-479

Active Ingredients: 95.75%

2-methoxy-4,6-bis(isopropylamino)-
s-triazine..... 5.00%
2-chloro-4,6-bis(ethylamino)-
s-triazine 0.75%
Sodium chlorate (NaClO₃)..... 40.00%
Sodium metaborate* (Na₂B₂O₄· 5H₂O)..... 50.00%

Inert Ingredients:..... 4.25%

Total..... 100%

*Equivalent to 4.87% boron expressed
as elemental boron

CAUTION:

Keep out of reach of children.

Harmful if swallowed. Avoid
contamination of food and feed.
Avoid inhalation of dust. Avoid
contact with eyes, skin, and
clothing. Wash clothing after
handling. Wash out equipment
after application. Do not use
equipment to apply insecticides,
fungicides, or fertilizers. Do
not contaminate water intended
for domestic or irrigation use.

Do not reuse container. Destroy
when empty.

Store in a dry place.

DIRECTIONS FOR USE AND CONDITIONS OF SALE AND WARRANTY

IMPORTANT: Read the entire Directions For Use and the Conditions Of Sale And Warranty before using this product.

Conditions Of Sale And Warranty

The Directions For Use of this product reflect the opinion of experts based on field use and tests. The directions are believed to be reliable and should be followed carefully. However, it is impossible to eliminate all risks inherently associated with use of this product. Crop injury, ineffectiveness or other unintended consequences may result because of such factors as weather conditions, presence of other materials, or the manner of use or application all of which are beyond the control of Geigy or the Seller. All such risks shall be assumed by the Buyer.

Geigy warrants that this product conforms to the chemical description on the label and is reasonably fit for the purposes referred to in the Directions For Use, subject to the inherent risks referred to above. Geigy makes no other express or implied warranty of Fitness or Merchantability or any other express or implied warranty. In no case shall Geigy or the Seller be liable for consequential, special or indirect damages resulting from the use or handling of this product. Geigy and the Seller offer this product, and the Buyer and user accept it, subject to the foregoing Conditions Of Sale And Warranty which may be varied only by agreement in writing signed by a duly authorized representative of Geigy.

GENERAL INFORMATION

Pramitol 5PS is a nonselective herbicide that can be applied before or after plant growth begins. Since Pramitol enters plants through their roots, its effectiveness is dependent on rainfall to move the chemical into the root zone. Very dry soil conditions and lack of rainfall may result in poor weed control.

Important: Use only in areas where complete control of all vegetation is desired, such as industrial sites, rights-of-way, lumberyards, petroleum tank farms, around farm buildings, along fence lines and similar areas. When applied to the soil, this product usually inhibits all plant growth for a year or more. It should not be used on land to be cropped, or near adjacent desirable trees, shrubs, or plants, or injury may occur.

DIRECTIONS FOR USE

To control annual broadleaf weeds and grasses: Apply 1/2 - 1 lb. per 100 sq.ft.

To control most perennial broadleaf weeds and grasses: Apply 1 - 2 lb. per 100 sq.ft. Where deep-rooted perennials are present, use the 2 lb. rate.

The higher rates listed above should be used in areas having a long growing season or high rainfall. The higher rates will also provide longer residual control.
