Pramitol® 5PS

PELLETED HERBICIDE

For total vegetation control
of weeds in noncrop areas

20 Pounds and 50 Pounds
Net Weight Net Weight

Active Ingredients:

Prometon: 2,4-bis (isopropylamino)- 6-methoxy-s-triazine	5.00%
Simazine: 2-chloro-4,6-bis (ethylamino)-s-triazine	0.76%
Sodium chlorate (NaClO ₃)	39.80%
Sodium metaborate* (Na ₂ B ₂ O ₄)	40.00%
Inert Ingredients:	14.44%
Total:	100.00%

*Equivalent to 4.87% boron expressed as elemental boron

WARNING

KEEP OUT OF REACH OF CHILDREN.

See additional precautionary statements on back of bag.

Product ID 78790 (50 Lb.)
55620 (20 Lb.)

EPA Reg. No. 100-479

EPA Est. 10659-MS-1^S
EPA Est. 34704-MS-1^P

(Superscript is first letter of lot number on bag)

Bare ground weed control

DIRECTIONS FOR USE AND CONDITIONS OF SALE AND WARRANTY

IMPORTANT: Read the entire **Directions for Use** and the **Conditions of Sale and Warranty** before using this product. If terms are not acceptable, return the unopened product container at once.

Conditions of Sale and Warranty

The **Directions for Use** of this product reflect the opinion of experts based on field use and tests. The directions are believed to be reliable and should be followed carefully. However, it is impossible to eliminate all risks inherently associated with use of this product. Crop injury, ineffectiveness, or other unintended consequences may result because of such factors as weather conditions, presence of other materials, or the manner of use or application all of which are beyond the control of Ciba-Geigy or the Seller. All such risks shall be assumed by the Buyer.

Ciba-Geigy warrants that this product conforms to the chemical description on the label and is reasonably fit for the purposes referred to in the **Directions for Use** subject to the inherent risks referred to above. **Ciba-Geigy makes no other express or implied warranty of Fitness or Merchantability or any other express or implied warranty. In no case shall Ciba-Geigy or the Seller be liable for consequential, special, or indirect damages resulting from the use or handling of this product.** Ciba-Geigy and the Seller offer this product, and the Buyer and user accept it, subject to the foregoing **Conditions of Sale and Warranty**, which may be varied only by agreement in writing signed by a duly authorized representative of Ciba-Geigy.

DIRECTIONS FOR USE

It is a violation of federal law to use this product in a manner inconsistent with its labeling.

General Information

Pramitol 5PS is a nonselective herbicide that can be applied before or after plant growth begins. Since Pramitol 5PS enters plants through their roots, its effectiveness is dependent on rainfall to move the chemical into the root zone. Very dry soil conditions and lack of rainfall may result in poor weed control.

Important: Use only in areas where complete control of all vegetation is desired, such as industrial sites, rights-of-way, lumberyards, petroleum tank farms, around farm buildings, along fence lines, and similar areas. When applied to the soil, this product is intended to inhibit all plant growth for a year or more.

Following many years of continuous use of this product and chemically related products, biotypes of some of the weeds listed on this label have been reported which cannot be effectively controlled by this and related herbicides. Where this is known or suspected, we recommend the use of this product in combination with other registered herbicides which are not triazines. Consult with your State Agricultural Extension Service for specific recommendations.

To control annual broadleaf weeds and grasses: Apply 0.35-0.46 lb./100 sq. ft. (equivalent to 152-200 lbs./A product).

To control most perennial broadleaf weeds and grasses: Apply 0.70-0.92 lb./100 sq. ft. (equivalent to 304-400 lbs./A product).

The higher rates listed above should be used in areas having a long growing season or high rainfall. The higher rates will also provide longer residual control.

Precautions: (1) Feeder roots of desirable plants often extend far beyond the drip line of the branches. Do not apply this product, or drain or flush application equipment in locations where the chemical may come into contact with root zones of desirable trees, shrubs, or plants, or injury may occur. (2) Do not use on land to be cropped. (3) Do not use for weed control in greenhouses. (4) Wash out equipment after application. Dispose of rinsate as indicated under Storage and Disposal section of this label. Do not use equipment to apply other pesticides or fertilizers.

4016

Storage and Disposal

Pesticide Disposal

Store in a dry place. Do not contaminate water, food, or feed by storage or disposal. Pesticide wastes may be acutely hazardous. Improper disposal of unused pesticide is a violation of federal law. If these wastes cannot be used according to label instructions, contact your State Pesticide or Environmental Control Agency, or the Hazardous Waste representative at the nearest EPA Regional Office for guidance in proper disposal methods.

Container Disposal

Completely empty bag into application equipment. Dispose of empty bag in a sanitary landfill, or by incineration, or, if allowed by state and local authorities, by burning. Stay out of smoke from burning bags.

For minor spills, leaks, etc., follow all precautions indicated on this label and clean up immediately. Take special care to avoid contamination of equipment and facilities during cleanup procedures and disposal of wastes. In the event of a major spill, fire, or other emergency, call 1-800-888-8372, day or night.

Precautionary Statements

Hazards to Humans and Domestic Animals

WARNING

Causes substantial, but temporary, eye injury. Harmful if swallowed, inhaled or absorbed through skin. Do not get in eyes or on clothing. Avoid contact with skin. Avoid breathing dust. Wear goggles or face shield. Wash thoroughly with soap and water after handling. Remove and wash contaminated clothing after reuse.

Statement of Practical Treatment

If in eyes: Hold eyelids open and flush with a steady, gentle stream of water for 15 minutes. Get medical attention.

If swallowed: Call a doctor or get medical attention. Do not induce vomiting. Drink promptly a large quantity of milk, egg whites, gelatin solution, or if these are not available, drink large quantities of water. Avoid alcohol.

If on skin: Wash skin with plenty of soap and water. Get medical attention.

If inhaled: Remove victim to fresh air. If not breathing, give artificial respiration, preferably mouth-to-mouth. Get medical attention.

5 of 6

Note to Physician: Probable mucosal damage may contraindicate the use of gastric lavage. Treat for circulatory shock, respiratory depression, and convulsion if needed.

Environmental Hazards

Do not apply directly to water, to areas where surface water is present, or to intertidal areas below the mean high water mark. Do not contaminate water when disposing of equipment wash waters.

Simazine is a chemical which can travel (seep or leach) through soil and enter ground water which may be used as drinking water. Simazine has been found in ground water as a result of its use as a herbicide. Users of this product are advised not to apply simazine where the water table (ground water) is close to the surface and where the soils are very permeable, i.e., well drained soils such as loamy sands. Users are advised to consult with their local agricultural agencies to obtain information on the location of ground water and the type of soil in their area.

Changes made

- 4/15/81: Deleted patent number.
- 11/6/81: Changed zip code to 27419.
- 5/2/84: Revised storage and disposal. Moved Directions for Use heading.
- 3/22/85: Added groundwater statement.
- 8/21/86: Deleted drainage ditch banks and editorial revisions.
- 4/1/87: Revised groundwater advisory.
- 12/21/89: Delete Proserve Est. No.; revise toll free number and revised warranty.
- 8/29/90: Add Platte Est. No.
- 11/15/90: Add triazine resistant biotype, reduce rates, add precautions, reformat, etc.
- 10/21/93: Add new logo, revise wetlands.
- 5/15/96: Revise signal word to warning, revise SPT and human hazards per EPA review.
