NM 100, 100 G. A.V.

USE & Dose No. 1000000

SPECIALTY KILLS FLEAS, TICKS, AND MOSQUITOES

DIRECTIONS FOR USE: See back of container.

Hold can upright, aiming spout left or right and spray.

Use spout to get into cracks and crevices. For all

spray keep spout 12 inches from surface.

ROACHES, ANTS, SPIDERS, SILVERFISH, SPRAY, FLEAS, TICKS, MOSQUITOES,

FAREDS: Hold can upright, spray into cracks, crevices,

under and on baseboards, behind and beneath cabinets,

refrigerators, sinks, stoves, ant trails and other localized

areas infested with insects. Spray window sills and

door frames where bugs enter. Repeat as necessary.

ANTS, HORNETS, WASPS AND OTHER INSECTS - OUTDOORS. For outdoor

treatment of insect living areas around the home. For ants,

direct spout into hills spray infested areas. For Wasps

and Hornets direct spout on nests. Repeat as necessary.

FLIES, MOSQUITOES, WASPS AND HORNETS: For outdoor use only.

Direct spray on outside surfaces of screens, doors, window

frames or where insects are likely to enter. For flies,

spout into upright position and aim toward light fixtures,

light fixtures, lamps, and other places that

attract insects.

SILVERFISH, WATERBUGS: Spray thoroughly all hiding places. Direct

spray into cracks and crevices, under and behind,

clothes on floor, under and behind, water pipes, and

sinks. Repeat as necessary.

BACK LABEL (continued)

**KNOWN DANGERS:** Direct spray onto and on baseboards, window and door frames, wall cracks and ceiling, sleeping quarters of pets and, in all cases, and floor coverings. Repeat as necessary. Fresh bedding should be placed in animal quarters after treatment. Do not spray on animals.

**CAUTION:** Keep out of reach of children. Harmful if swallowed. Avoid contamination of feed and foodstuffs. Avoid repeated or prolonged inhalation and skin contact; wash thoroughly after using. Do not use on household pets or humans. **COMBUSTIBLE MIXTURE:** Do not spray near open flame. Do not smoke while using. Contents are under pressure. Exposure to high temperature may cause container to burst. Do not place this container on stove, radiator or in direct sunlight, or any place where temperature will exceed 120°F. Do not puncture container or throw into fire.

**ACTIVE INGREDIENTS:** 69.45% 0,0-diethyl O-(2-isopropyl-4-methyl-5-pyrimidinyl) phosphorothioate\* 0.500% Pyrethrin 0.050% Technical pyrethrin extract (equivalent to 0.200% (butylcarbitol) (3-propylpiperonyl) ether and 0.250% other related compounds) 0.200% Petroleum distillates 22.800%

**INERT INGREDIENTS:** 30.550%
