Use entire contents at one time
Keep out of reach of children.

Caution
See additional precautionary statements at end of label booklet.

Shake well before using
Use entire contents at one time

Herbicide AAtrex 4L contains 4 lbs. active ingredients per gallon.

This product is not cumulative.

APPLICATION PROCEDURES

Ground application

Aerial application

Application in water or liquid fertilizer

Application in water plus emulsifiable concentrate

Mixing procedures:

For various types of spray equipment, refer to the manufacturer's instructions for the proper method of mixing and application.
Precautionary Statements

Hazards to Humans and Domestic Animals

CAUTION

Read the entire label before using. Do not inhale dust or mist. Do not breathe vapors. Do not enter treated areas until cool. Use only as directed. Avoid contact with eyes, skin and clothing. Wash thoroughly after handling. Keep out of reach of children and pets. Prolonged contact with skin may cause irritation. Avoid contact with food and beverages. Do not eat, drink or smoke in treatments areas. Do not contaminate water, food or feed by storage or disposal. Do not contaminate treated areas with other chemicals. Do not store near fish or livestock.

First Aid Measures

Inhalation: Remove victim to fresh air. If breathing is difficult, give oxygen. If breathing stops, give artificial respiration. Do not give mouth-to-mouth resuscitation. Call a physician immediately. Be sure that the physician knows what material was inhaled.

Eye Contact: Do not rub eye. Rinse well with plenty of water. Call a physician immediately. Do not use eye drops or ointments without the advice of a physician.

Skin Contact: Remove contaminated clothing and shoes. Wash exposed skin with soap and water. Call a physician immediately. Do not use local or oral anesthetics without the advice of a physician.

Ingestion: Do not induce vomiting. Give 1-2 glasses of water. Call a physician immediately. Do not give anything by mouth to an unconscious person.

Environmental Hazards

Do not contaminate water, food or feed by storage or disposal. Do not store near fish or livestock.

Personal Protection

Protective clothing and equipment should be worn. Wash all work clothing separately from other laundry in cold water use a detergent to avoid foaming. If wearing rubber gloves, remove when leaving the work area and wash thoroughly. Do not use plastic or aluminum containers. Wash and dry all equipment thoroughly after use. Use a respirator if dust or mist is generated.

Aircraft Application

Aircraft application is safe if proper precautions are taken. Aircraft spray equipment should be derigged, cleaned and disinfected before each use. A complete copy of the Material Safety Data Sheet must be on board and available when applying the product. A complete copy of the Material Safety Data Sheet must be available to personnel in the vicinity of the area being treated.

Nonselective Weed Control on Noncrop Land
