lawn insect control

OVERALL LAWN APPLICATION

• Spectracide Granules control the following lawn insects on both grass and dichondra lawns:

Chinch Bugs • Earwigs • Ticks • Ants • Lawn Moths (Sod Webworms) • Bermuda Mites • Crickets • Armyworms • Brown Dog Ticks • Chiggers • Clover Mites • Cutworms • Fleas • Leafhoppers • Sowbugs • Millipedes • Springtails (Collembola)

• Apply Spectracide Granules to your lawn with a fertilizer spreader. Application should be made when grass is dry. Water lawn lightly after application. Repeat as necessary.

• For application with other types of equipment, or by hand, apply at the rate of 2 lbs. per 1000 sq. ft. (an area 20' by 50') or 3.2 oz. per 100 sq. ft. (an area 10' by 10'). For heavy lawns such as St. Augustine lawns, application should be increased to 3 lbs. per 1000 sq. ft. (or 4.8 oz. per 100 sq. ft.).

Billbugs and White Grubs of Japanese Beetle, European Chafer, Southern Chafer

Apply 2.5 lbs. per 1000 sq. ft. of lawn. Water grass thoroughly after application. For grub control make application any time between late July and early October. For billbug control, apply when activity is first observed or when chewed or brown grass indicates damage from these insects. Repeat as necessary.

Hyperodes Weevil (New York only)

Apply 2 lbs. per 1000 sq. ft. of grass. Water grass thoroughly after application. Treat problem areas in mid-April and again in mid-May.

SPOT TREATMENT

ANTS: Apply 1½ teaspoons of Spectracide Granules over and around each individual ant hill.

DIGGER WASPS: Apply 1½ teaspoons of Spectracide Granules in and around each individual ground nest opening. Make the application about dusk when the wasps are not active.

BAND TREATMENT AROUND FOUNDATION

The following insects are commonly found around or near the foundation of houses as well as in the lawn. Certain of these insects may even enter the house.

Ants	Crickets	Millipedes
Brown Dog Ticks	Earwigs	Sowbugs
Clover Mites	Fleas	Springtails (Collembola)

For control of the above insects, apply a five-foot band of Spectracide Granules next to the foundation of the house. Distribute the granules uniformly using a rate of 3.2 oz. for each 5' by 20' area to be treated.

CAUTION: Keep out of reach of children. Harmful if swallowed. Avoid contamination of food and feed. Do not store near food or feed products. Avoid inhalation of dust. Avoid contact with skin, eyes and clothing. Wash thoroughly after handling. May be absorbed through skin. Keep children and pets off treated areas until this material is washed into the soil and grass is dry.

Do not reuse container. Destroy it by burying or burning. Avoid smoke or fumes.

Fish and Wildlife Caution: This product is toxic to fish and wildlife. Keep out of lakes, streams or ponds. Birds feeding on treated areas may be killed. Apply this product only as specified on this label.
