## An Insecticide-Ovicide for Formulating into Registered End Use Products for Non-domestic Outdoor Use

### Active Ingredient:

Chlordimeform hydrochloride: *N'*-(4-chloro-*o*-tolyl)-*N,N*-dimethylformamidine monohydrochloride . . . . . 95%

Inert Ingredients: . . . . . 5%

Total: . . . . . 100%

**NOTE:** This product has been shown to cause cancer in laboratory animals. The user must read and follow all precautionary statements and instructions for use.

## Keep Out of Reach of Children.

### WARNING

#### Precautionary Statements

##### Hazards to Humans and Domestic Animals

May be harmful or fatal if swallowed or absorbed through the skin. Do not get in eyes, on skin or on clothing. Wear goggles or face shield when handling and other protective clothing as specified. Do not contaminate food or feed. Avoid breathing dust or spray mist. Wash thoroughly with soap and water after handling and before eating, drinking or smoking. Remove contaminated clothing immediately and wash before reuse. See Special Precautions to Prevent Exposure Section.

##### Statement of Practical Treatment

If swallowed, contact a physician or Poison Control Center immediately. Promptly drink at least 1 to 2 glasses of water and induce vomiting by touching back of throat with finger. Do not induce vomiting or give anything by mouth to an unconscious person.

If on skin, immediately remove contaminated clothing, wiping away excess material from skin. Wash skin with plenty of soap and water. Get medical attention.

If in eyes, immediately flush with plenty of water. Get medical attention.

If inhaled, move to fresh air.

**Note to Physician:** There is no specific antidote for Galecron ingestion. Induce emesis or lavage stomach. Give a saline laxative and supportive therapy. Symptomatic drugs should be avoided as these may have potential effects (e.g., hypertensive crisis).

**Environmental Hazards:** This product is toxic to fish and wildlife. Do not discharge into lakes, ponds, streams, or public waters unless in accordance with an NPDES permit. For guidance, contact your Regional Office of the U.S. Environmental Protection Agency.

#### DIRECTIONS FOR USE AND CONDITIONS OF SALE AND WARRANTY

**IMPORTANT:** Read the entire Directions for Use and the Conditions of Sale and Warranty before using this product.

#### Conditions of Sale and Warranty

The Directions for Use of this product reflect the opinion of experts based on field use and tests. The directions are believed to be reliable and should be followed carefully. However, it is impossible to eliminate all risks inherently associated with use of this product. Crop injury, ineffectiveness, or other unintended consequences may result because of such factors as weather conditions, presence of other materials, or the manner of use or application all of which are beyond the control of CIBA-GEIGY or the Seller. All such risks shall be assumed by the Buyer.

CIBA-GEIGY warrants that this product conforms to the chemical description on the label and is reasonably fit for the purposes referred to in the Directions for Use subject to the inherent risks referred to above. CIBA-GEIGY makes no other express or implied warranty of Fitness or Merchantability or any other express or implied warranty. In no case shall CIBA-GEIGY or the Seller be liable for consequential, special, or indirect damages resulting from the use or handling of this product. CIBA-GEIGY and the Seller offer this product, and the Buyer and user accept it, subject to the foregoing Conditions of Sale and Warranty, which may be varied only by agreement in writing signed by a duly authorized representative of CIBA-GEIGY.

**No end use for this product other than manufacturing is intended or implied by the above Conditions of Sale and Warranty.**

#### Instructions for Formulation

It is a violation of federal law to use this product in a manner inconsistent with its labeling.

This pesticide may be used only for formulation of Galecron SP Insecticide-Ovicide.

#### Special Precautions to Prevent Exposure

Wear the minimum and special protective clothing as indicated below to ensure against possible exposure during all operations associated with handling.

**Minimum Protective Clothing and Equipment:** Heavy-duty, long-sleeve, one-piece worksuit; cloth cap; underwear including T-type undershirt; heavy-duty fabric, rubber or neoprene-type gloves; socks; heavy-duty work boots (waterproofed), and goggles or face shield.

- Wear clean clothes each day and launder before reusing. Place contaminated clothing in a specially designated container until laundering.
- Keep a complete clean change of clothes at the work site for use if needed.
- Replace boots and gloves if contaminated.

#### Special Protective Clothing and Equipment

- Wear rubber boots (slip-on, knee-length, waterproof) and heavy-duty rubber or neoprene gloves when handling Galecron Technical during wet conditions, for limited cleaning or adjustment of equipment, in the case of a minor spill, or when otherwise appropriate for added protection.
- Wear a complete waterproof rubberized or plastic rain suit with head covering when cleaning or handling equipment, in the case of a spill or accident, or when otherwise appropriate for maximum protection.
- Wear an approved pesticide respirator, such as Willson 1200 facepiece equipped with Willson R-21 car-

tridges and R-15 filters, during handling of Galecron Technical, during cleanup operations, in the event of spills or accidents, or when otherwise exposed to vapors or dust. Clean mask after each use and change cartridges and filters daily not to exceed 8 hours of use, or if breathing becomes difficult.

- Clean all protective clothing and equipment before reuse.

#### Personal Precautions

- If Galecron Technical gets on clothing, remove contaminated clothing immediately and wash affected parts of body with soap and water. If there is any question as to the extent of contamination, bathe entire body thoroughly. Change to clean clothing.
- Wash hands with soap and water before eating, drinking, or smoking.
- At the end of the workday, bathe entire body with soap and plenty of water.

#### Special Equipment

- Any equipment which has been contaminated with Galecron Technical must be thoroughly cleaned and flushed with clean water prior to maintenance or use for other purposes. Wear appropriate protective clothing when performing equipment maintenance operations.

#### Accidents

- For minor spills, leaks, etc., follow all precautions indicated above and clean up immediately. Take special care to avoid contamination of equipment and facilities during cleanup procedures and disposal of wastes.
- In the event of a major spill or accident, contact CIBA-GEIGY for assistance at (919) 292-7100 day or night.

## Storage and Disposal

Do not contaminate water, food, or feed by storage or disposal. Open dumping is prohibited.

**Storage:** Do not store this material under wet conditions.

**Pesticide Disposal:** Pesticide or rinseate that cannot be used according to label instructions must be disposed of according to federal, state, or local procedures. Contact your State Pesticide or Environmental Control Agency or the Hazardous Waste representative at the nearest EPA Regional Office for guidance. Because pesticide wastes may be toxic, improper disposal is a violation of Federal Law.

**Container Disposal:** Do not reuse. Dispose of empty containers in an incinerator or in a sanitary landfill approved for pesticide containers or bury in a safe place. Consult federal, state, or local disposal authorities for approved alternative procedures such as limited open burning.
