

Conquer™

granular vegetation killer

**For
total
vegetation
control**

Prevents plant
growth for
up to one year

CAUTION:
Keep out of reach
of children.

See additional caution
statements on back
of container.

**One pound covers up
to 100 sq. ft.**

Active Ingredients:
Prometon 2,4-
bis(4-chlorophenyl)-
amine 4.00%
azine 5.00%
Simazine 2-
chloro-4,6-di-
ethyl-6-methyl-
triazine 0.75%
Sulfentrazone 4.00%
Fenoxaprop-P
ethyl 1.25%
Total: 15.00%

**Inert
Ingredients: 4.25%
Total: 100.00%**

*Equivalent to 4.87%
boron expressed as
elemental boron

**Net Weight
One
Pound**

For total vegetation control
around the home where no
plant growth is desired, as
specified in label directions

Controls johnsongrass, bind-
weed and other hard-to-kill
weeds. **Prevents plant growth
for up to one year.**

Ready-to-Use

Conquer Granular Vegetation
Killer is a nonselective prod-
uct that can be applied before

or after plant growth begins.
Use for bare ground vegeta-
tion control in driveways, brick
walks, paths, patios, along
fences, parking areas, play
areas, curbs around buildings,
and under gravelled pathways
where plant growth has come
through these surfaces.

Directions for Use

Remove push-out portion of
shaker cap. Rotate cap to
cover opening with holes and
distribute granules evenly over
area to be treated. To control
annual broadleaf weeds and
grasses, apply 1/2-1 lb. per 100
sq. ft. For control of most per-
ennial broadleaf weeds and
grasses, apply 1/2-1 lb. per 50
sq. ft. Where deep-rooted pe-
rennials are present use the
higher rate. The higher rates
listed above should be used
in areas having a long growing
season or high rainfall. The
higher rates will also provide
longer residual control. To
minimize lateral movement,
sprinkle in lightly with a water-
ing can immediately after ap-
plication.

Use only in areas where com-
plete control of all vegetation
is desired. Conquer Granular
Vegetation Killer should not
be used on cultivated areas,
or ground that is to be culti-

vated in greenhouses, or near
the drip line of trees or shrubs.
Do not use on slopes or in-
clined areas (apply only to
level surfaces)

CAUTION:

Keep out of reach of children.

Harmful if swallowed. Avoid
contamination of food and
feed. Avoid inhalation of dust.
Avoid contact with eyes, skin,
and clothing. Wash clothing

after handling. Do not contam-
inate water intended for do-
mestic or irrigation use. Do
not contaminate water by
cleaning of equipment or dis-
posal of wastes. Apply this
product only as specified on
this label.

Care should be taken to avoid
its use where adjacent desir-
able trees, shrubs or plants
may be injured as a result of
reaching of the chemical
through the soil.

Do not reuse container. De-
stroy when empty.

Store in a dry place.
