# Technical Ametryn

## A Herbicide For Formulating Use

### Active Ingredients:

Ametryn: 2-ethylamino-4-isopropylamino-6-methylthio-s-triazine . . . . .	90.0%
Related compounds . . . . .	5.0%

Inert Ingredients: 5.0%

Total: 100.0%

EPA Reg. No. 100-579 EPA Est. 70404-AL-001

Product ID. **55270**

**KEEP OUT OF REACH OF CHILDREN. CAUTION**

See additional precautionary statements at end of label.

### DIRECTIONS FOR USE AND CONDITIONS OF SALE AND WARRANTY

**IMPORTANT:** Read the entire Directions for Use and the Conditions of Sale and Warranty before using this product.

#### CONDITIONS OF SALE AND WARRANTY

The Directions for Use of this product reflect the opinion of experts based on field use and tests. The directions are believed to be reliable and should be followed carefully. However, it is impossible to eliminate all risks inherently associated with use of this product. Crop injury, ineffectiveness, or other unintended consequences may result because of such factors as weather conditions, presence of other materials, or the manner of use or application all of which are beyond the control of Novartis Crop Protection, Inc. or the Seller. All such risks shall be assumed by the Buyer.

Novartis warrants that this product conforms to the chemical description on the label and is reasonably fit for the purposes referred to in the Directions for Use subject to the inherent risks referred to above. **Novartis makes no other express or implied warranty of Fitness or Merchantability or any other express or implied warranty. In no case shall Novartis or the Seller be liable for consequential, special, or indirect damages resulting from the use or handling of this product.** Novartis and the Seller offer this product, and the Buyer and user accept it, subject to the foregoing Conditions of Sale and Warranty, which may be varied only by agreement in writing signed by a duly authorized representative of Novartis.

No end use for this product other than reformulation is intended or implied by the above Conditions of Sale and Warranty.

NET WEIGHT

#### DIRECTIONS FOR USE

It is a violation of federal law to use this product in a manner inconsistent with its labeling.

Only for formulation into a herbicide for the following uses: bananas, corn, pineapple, sugarcane, and noncrop areas.

#### CHEMICAL AND PHYSICAL PROPERTIES

Please refer to Technical Bulletin, Ametryn.

#### STORAGE AND DISPOSAL

Store in a dry place. Do not contaminate water, food, or feed by storage or disposal. Pesticide wastes may be toxic. Improper disposal of unused pesticide or rinsate is a violation of federal law. If these wastes cannot be used according to label instructions, contact your State Pesticide or Environmental Control Agency, or the Hazardous Waste representative at the nearest EPA Regional Office for guidance in proper disposal methods.

Completely empty bag into equipment. This is a reusable bag. If the container is to be refilled, do not rinse with any material or introduce any pesticide other than Technical Ametryn. Reseal and return the container to an authorized Novartis refilling facility. If the container is not to be refilled, triple rinse (or equivalent) and offer for recycling or reconditioning, or puncture and dispose of empty bag in a sanitary landfill or by incineration, or, if allowed by state and local authorities, by burning. If burned, stay out of smoke.

For minor spills, follow all precautions indicated on this label and clean up immediately. Take special care to avoid contamination of equipment and facilities during cleanup procedures and disposal of wastes. In the event of a major spill, fire, or other emergency, call 1-800-888-8372, day or night.

#### LABELING FOR FORMULATED PRODUCTS

Further data may be necessary to support registration of products formulated from Novartis Technical Ametryn if the specimen labels of registered products are not followed closely.

#### PRECAUTIONARY STATEMENTS

##### Hazards to Humans and Domestic Animals CAUTION

Harmful if swallowed. Avoid contact with eyes, prolonged contact with skin, inhalation of dust, and contamination of food and feed. In case of eye contact, wash with plenty of water. In case of skin contact, wash with soap and water.

Do not reuse container. Return to reconditioner or destroy by perforating or crushing and burying in a safe place away from water supplies.

Do not discharge effluent containing this product into lakes, streams, ponds, estuaries, oceans, or other waters, unless in accordance with the requirements of a National Pollutant Discharge Elimination System (NPDES) permit and the permitting authority has been notified in writing prior to discharge. Do not discharge effluent containing this product to sewer systems without previously notifying the local sewage treatment plant authority. For guidance, contact your State Water Board or Regional Office of the EPA.
