Ms. N. Beth Carroll
Regulatory Manager
Plant Protection Division
Ciba-Geigy Corporation
P. O. Box 18300
Greensboro, NC 27419-8300

Dear Ms. Carroll:

Subject: Technical Profenofos
EPA Reg. No. 100-598
Labeling Submitted November 30, 1992

The amendment referred to above, submitted in connection with registration under FIFRA, is acceptable, provided that you:

Submit one copy of your final printed labeling incorporating the following correction before you release the product for shipment.

The word POISON must appear on the front panel in red on a contrasting background.

It is understood that the Profenofos Technical Bulletin referenced on the subject label remains unchanged from that submitted with your letter of June 9, 1982.

If this condition is not complied with, the registration will be subject to cancellation in accordance with FIFRA sec. 6(e). Your release for shipment of the product bearing the amended labeling constitutes acceptance of this condition.

A stamped copy of the label is enclosed for your records.

Sincerely yours,

Robert A. Forrest

Precautionary Statements

Hazards to Humans and Domestic Animals

Fatal if absorbed through the skin. Do not get on skin or on
clothing. May be fatal if swallowed. Harmful if inhaled.
Avoid contact with eyes. Avoid breathing vapors. Remove and
wash contaminated clothing before reuse. Do not store near food
or feed.

Statement of Practical Treatment: If swallowed, call a physi-
cian or poison control center. Give 1 to 2 glasses of water and
induce vomiting by touching back of throat with finger. DO NOT
INDUCE VOMITING OR GIVE ANYTHING BY MOUTH TO AN UNCONSCIOUS OR
CONVULSING PERSON. Get medical attention immediately. In case
of skin contact, wash thoroughly with soap and water and get

medical attention immediately. In case of eye contact, flush with plenty of water for at least 15 minutes and get medical attention. If inhaled, remove to fresh air.

Note to Physician: If symptoms of cholinergic poisoning occur, atropine plus 2-PAM may be helpful.

Environmental Hazards

This pesticide is toxic to fish and wildlife. Do not discharge into lakes, streams, ponds, or public water unless in accordance with an NPDES permit. For guidance, contact your regional office of the EPA. Handle with care in areas frequented by wildlife or near any body of water. Do not contaminate water by cleaning of equipment or disposal of wastes.

DIRECTIONS FOR USE AND CONDITIONS OF SALE AND WARRANTY

IMPORTANT: Read the entire Directions for Use and the Conditions of Sale and Warranty before using this product.

Conditions of Sale and Warranty

The Directions for Use of this product reflect the opinion of experts based on field use and tests. The directions are believed to be reliable and should be followed carefully. However, it is impossible to eliminate all risks inherently associated with use of this product. Crop injury, ineffectiveness, or other unintended consequences may result because of such factors as weather conditions, presence of other materials, or the manner of use or application all of which are beyond the control of CIBA-GEIGY or the Seller. All such risks shall be assumed by the Buyer.

CIBA-GEIGY warrants that this product conforms to the chemical description on the label and is reasonably fit for the purposes referred to in the Directions for Use subject to the inherent risks referred to above. CIBA-GEIGY makes no other express or implied warranty of Fitness or Merchantability or any other express or implied warranty. In no case shall CIBA-GEIGY or the Seller be liable for consequential, special, or indirect damages resulting from the use or handling of this product. CIBA-GEIGY and the Seller offer this product, and the Buyer and user accept it, subject to the foregoing Conditions of Sale and Warranty, which may be varied only by agreement in writing signed by a duly authorized representative of CIBA-GEIGY.

No end use of this product other than reformulation is intended or implied by the above Conditions of Sale and Warranty.

11045

Directions for Use

It is a violation of federal law to use this product in a manner inconsistent with its labeling.

Only for formulation into an insecticide, for (1) the following uses: cotton; (2) uses for which USEPA has accepted the required data and/or citations of data that the formulator has submitted in support of registration; and (3) uses for experimental purposes that are in compliance with USEPA requirements.

CIBA-GEIGY recommends this product only for the uses cited above and makes no warranty, expressed or implied, with respect to formulator supported uses or experimental uses and disclaims all liability for damages attributable to such formulator supported and experimental uses.

Chemical and Physical Properties

Refer to Profenofos Technical Bulletin.

Storage and Disposal

Do not store near food or feed. Do not contaminate water, food, or feed by storage or disposal.

Pesticide Disposal

Open dumping is prohibited. Pesticide that cannot be used or chemically reprocessed must be disposed of according to federal, state, or local procedures under the Resource Conservation and Recovery Act.

Container Disposal

Reseal container and offer for reconditioning or triple rinse (or equivalent) and offer for recycling, reconditioning, or disposal in approved landfill or by other approved state and local procedures. Consult federal, state, or local disposal authorities for approved alternative procedures.

Emergency Response

In the event of a major spill, fire and other emergency, call 1-800-888-8372 day or night.
