Subject:

**Updated First Aid Statements** 

Profenofos Technical EPA Reg. No. 100-598

Your Application of September 19, 2003

Dear Ms. Brinkley:

The labeling amendment referred to above, submitted in connection with registration under the Federal Insecticide, Fungicide, and Rodenticide Act, As Amended (FIFRA), is acceptable, provided that you submit two copies of your final printed label incorporating the following corrections before you release the product for shipment.

Update your storage and disposal statements as described in PR Notice 83-3. A copy of this Notice is enclosed for your reference.

It is understood that the front panel word POISON appears in red on a contrasting background as is required.

Verify that the Profenofos Technical Bulletin referenced on the label remains unchanged from that submitted with your letter of June 9, 1982. If such is not the case, submit two copies of the revised bulletin.

If this condition is not complied with, the registration will be subject to cancellation in accordance with FIFRA sec. 6(e). Your release for shipment of the product bearing the amended label constitutes acceptance of this condition.

A stamped copy of the label is enclosed for your records.

Additional label revisions may be necessary upon completion of evaluation and processing of your response to the Interim Reregistration Eligibility Decision. issued for profenofos.

Sincerely,

Marilyn A. Mautz

	Call a poison control center or doctor for further treatment advice.	

## NOTE TO PHYSICIAN

Contains profenofos, an organophosphate that inhibits cholinesterase Consider taking venous blood for determination of blood cholinesterase activity (use heparin tube). Administer atropine sulfate, either by intramuscular or intravenous injection, dependant on severity of poisoning. Oximes such as 2-PAM are also antidotal and may be administered, but only in conjunction with atropine. Avoid the use of respiratory depressants, e.g. barbiturates and opiates.

Have the product container or label with you when calling a poison control center or doctor or when going for treatment.

# **PRECAUTIONARY STATEMENTS**

#### **Hazards to Humans and Domestic Animals**

# DANGER/PELIGRO POISON

Fatal if absorbed through the skin. Do not get on skin or on clothing. May be fatal if swallowed. Harmful if inhaled. Avoid contact with eyes. Avoid breathing vapors. Remove and wash contaminated clothing before reuse. Do not store near food or feed.

#### **Environmental Hazards**

This pesticide is toxic to fish and wildlife. Handle with care in areas frequented by wildlife or near any body of water. Do not contaminate water by cleaning of equipment or disposal of wastes.

Do not discharge effluent containing this product into lakes, streams, ponds, estuaries, oceans, or other waters, unless in accordance with the requirements of a National Pollutant Discharge Elimination System (NPDES) permit and the permitting authority has been notified in writing prior to discharge. Do not discharge effluent containing this product to sewer systems without previously notifying the local sewage treatment plant authority. For guidance, contact your State Water Board or Regional Office of the EPA.

# **CONDITIONS OF SALE AND LIMITATION OF WARRANTY AND LIABILITY**

**NOTICE:** Read the entire Directions for Use and Conditions of Sale and Limitation of Warranty and Liability before buying or using this product. If the terms are not acceptable, return the product at once, unopened, and the purchase price will be refunded.

The Directions for Use of this product should be followed carefully. It is impossible to eliminate all risks inherently associated with the use of this product. Crop injury, ineffectiveness or other unintended consequences may result because of such factors as manner of use or application, weather or crop conditions, presence of other materials or other influencing factors in the use of the product, which are beyond the control of SYNGENTA CROP PROTECTION, Inc. or Seller. All such risks shall be assumed by Buyer and User, and Buyer and User agree to hold SYNGENTA and Seller harmless for any claims relating to such factors.

SYNGENTA warrants that this product conforms to the chemical description on the label and is reasonably fit for the purposes stated in the Directions for Use, subject to the inherent risks referred to above, when used in accordance with directions under normal use conditions. This warranty does not extend to the use of the product contrary to label instructions, or under abnormal conditions or under conditions not reasonably foreseeable to or beyond the control of Seller or SYNGENTA, and Buyer and User assume the risk of any such use. SYNGENTA MAKES NO WARRANTIES OF MERCHANTABILITY OR OF FITNESS FOR A PARTICULAR PURPOSE NOR ANY OTHER EXPRESS OR IMPLIED WARRANTY EXCEPT AS STATED ABOVE.

In no event shall SYNGENTA or Seller be liable for any incidental, consequential or special damages resulting from the use or handling of this product. THE EXCLUSIVE REMEDY OF THE USER OR BUYER, AND THE EXCLUSIVE LIABILITY OF SYNGENTA AND SELLER FOR ANY AND ALL CLAIMS, LOSSES, INJURIES OR DAMAGES (INCLUDING CLAIMS BASED ON BREACH OF WARRANTY, CONTRACT, NEGLIGENCE, TORT, STRICT LIABILITY OR OTHERWISE) RESULTING FROM THE USE OR HANDLING OF THIS PRODUCT, SHALL BE THE RETURN OF THE PURCHASE PRICE OF THE PRODUCT OR, AT THE ELECTION OF SYNGENTA OR SELLER, THE REPLACEMENT OF THE PRODUCT.

SYNGENTA and Seller offer this product, and Buyer and User accept it, subject to the foregoing Conditions of Sale and Limitations of Warranty and of Liability, which may not be modified except by written agreement signed by a duly authorized representative of SYNGENTA.

#### **DIRECTIONS FOR USE**

It is a violation of Federal law to use this product in a manner inconsistent with its labeling.

Only for formulation into an insecticide for the following use: cotton.

# **Chemical and Physical Properties**

Refer to Profenofos Technical Bulletin.

#### STORAGE AND DISPOSAL

Do not store near food or feed. Do not contaminate water, food, or feed by storage or disposal.

# **Pesticide Disposal**

Open dumping is prohibited. Pesticide that cannot be used or chemically reprocessed must be disposed of according to federal, state, or local procedures under the Resource Conservation and Recovery Act.

# **Container Disposal**

Thoroughly clean container before reuse. Consult federal, state, or local disposal authorities for approved alternative procedures.

# **Emergency Response**

For minor spills, leaks, etc., follow all precautions indicated on this label and clean up immediately. Take special care to avoid contamination of equipment and facilities during cleanup procedures and disposal of wastes.
