Ms. Carolyn Bussey
Senior Regulatory Specialist
Ciba-Geigy Corporation
Agricultural Division
P.O. Box 18300
Greensboro, NC 27419

Dear Ms. Bussey:

Subject: Change in Formulation
Triumph Technical
EPA Registration No. 100-635
Your Labels Submitted November 20, 1990
Your Letter Dated March 25, 1991

The labeling referred to above, submitted in connection with registration under the Federal Insecticide, Fungicide, and Rodenticide Act (FIFRA), as amended, is acceptable provided that you:

1. Make the labeling changes listed below before you release the product for shipment bearing the revised labeling:
 - a. Revise the warranty statement by deleting the statements implying use of the product as an end-use product. The warranty statement, as presently worded, is inconsistent with the instructions which state that the product is for formulation into end-use insecticide products.
 - b. The phrase EPA Registration No. 100-635 must be added to the label.
2. Submit five (5) copies of your final printed labeling before you release the product for shipment.

If these conditions are not complied with, the registration will be subject to cancellation in accordance with FIFRA section 6(e). Your release for shipment of the product constitutes acceptance of these conditions.

A stamped copy of the label is enclosed for your records.

Sincerely yours,

Robert A. Forrest
Product Manager (14)
Insecticide-Rodenticide Branch
Registration Division (H7505C)

Precautionary Statements

Hazards to Humans and Domestic Animals

Fatal if swallowed. May be fatal if inhaled or absorbed through the skin. Do not breathe spray mist. Wear an approved respirator during prolonged use. Do not get on skin or clothing. The active ingredient may cause skin sensitization reactions in certain individuals. Wear protective clothing (coveralls and rubber gloves) while handling or using this product. Do not contaminate food and feed. Avoid contact with eyes.

Statement of Practical Treatment: If swallowed, call a physician or poison control center. Give 1 to 2 glasses of water and induce vomiting by touching back of throat with finger. **DO NOT INDUCE VOMITING OR GIVE ANYTHING BY MOUTH TO A CONVULSING OR UNCONSCIOUS PERSON.** Get medical attention immediately. If on skin, immediately wash thoroughly with soap and water; get medical attention immediately. If in eyes, flush with plenty of water. Get medical attention if irritation persists.

ACCEPTED
with COMMENTS
in EPA Letter Dated

Under the Federal Insecticide,
Fungicide, and Rodenticide Act
as amended, for the pesticide
registered under EPA Reg. No.

Note to Physician: Atropine is antidotal. 2-PAM is also antidotal and may be administered in conjunction with atropine. If swallowed and gastric lavage is not immediately available, induce vomiting taking care to avoid inhalation of stomach contents into lungs.

Environmental Hazards

This pesticide is toxic to fish and wildlife. Do not discharge into lakes, streams, ponds, or public water unless in accordance with an NPDES permit. For guidance, contact your regional office of the EPA. Handle with care in areas frequented by wildlife or near any body of water. Do not contaminate water by cleaning of equipment or disposal of wastes.

DIRECTIONS FOR USE AND CONDITIONS OF SALE AND WARRANTY

IMPORTANT: Read the entire Directions for Use and the Conditions of Sale and Warranty before using this product. If terms are not acceptable, return the unopened product container at once.

Conditions of Sale and Warranty

The Directions for Use of this product reflect the opinion of experts based on field use and tests. The directions are believed to be reliable and should be followed carefully. However, it is impossible to eliminate all risks inherently associated with use of this product. Crop injury, ineffectiveness, or other unintended consequences may result because of such factors as weather conditions, presence of other materials, or the manner of use or application all of which are beyond the control of CIBA-GEIGY or the Seller. All such risks shall be assumed by the Buyer.

CIBA-GEIGY warrants that this product conforms to the chemical description on the label and is reasonably fit for the purposes referred to in the Directions for Use subject to the inherent risks referred to above. CIBA-GEIGY makes no other express or implied warranty of Fitness or Merchantability or any other express or implied warranty. In no case shall CIBA-GEIGY or the Seller be liable for consequential, special, or indirect damages resulting from the use or handling of this product. CIBA-GEIGY and the Seller offer this product, and the Buyer and user accept it, subject to the foregoing Conditions of Sale and Warranty, which may be varied only by agreement in writing signed by a duly authorized representative of CIBA-GEIGY.

No end use of this product other than formulation is intended or implied by the above Conditions of Sale and Warranty.

Directions for Use

It is a violation of federal law to use this product in a manner inconsistent with its labeling.

Chemical and Physical Properties

Refer to Triumph Technical Bulletin.

Storage and Disposal

Do not store near food or feed. Do not contaminate water, food, or feed by storage or disposal.

For minor spills, leaks, etc., follow all precautions indicated on this label and clean up immediately. Take special care to avoid contamination of equipment and facilities during cleanup procedures and disposal of wastes. In the event of a major spill, fire, or other emergency, call 1-800-888-8372 day or night.

Pesticide Disposal:

Wastes resulting from use of this product are acutely hazardous. Improper disposal of excess pesticide, spray mixture, or rinsate is a violation of Federal Law. If these wastes cannot be disposed of by use according to label instructions, contact your State Pesticide or Environmental Control Agency or the Hazardous Waste Representative at the nearest EPA Regional Office for guidance.

Container Disposal: Triple rinse (or equivalent). Then offer for recycling or reconditioning, or puncture and dispose of in a sanitary landfill or by other procedures approved by state and local authorities.
