CAUTION

Product ID. 58850

ACCEPTED

NOV 16 1992

Under the Federal Insecticide,
Fungicide, and Rodenticide Act,
this pesticide is registered.

100-714

Precautionary Statements

Hazards to Humans and Domestic Animals

CAUTION

Harmful if inhaled or absorbed through skin. Avoid contact with skin, eyes, or clothing. Avoid breathing vapors. Wash thoroughly with soap and water after handling. Remove contaminated clothing and wash before reuse.

Statement of Practical Treatment

If in eyes: Flush eyes with plenty of water. Call a physician if irritation persists.

If inhaled: Remove victim to fresh air.

If on skin: Wash with plenty of soap and water.

Note to Physician

If D·z·n MG 5% is ingested, induce vomiting or lavage stomach. Diazinon is an organophosphate insecticide. If symptoms of cholinesterase inhibition are present, atropine sulfate by injection is antidotal. 2-PAM is also antidotal and may be administered but only in conjunction with atropine.

Environmental Hazards

This product is highly toxic to fish and wildlife.

Do not discharge effluent containing this product into lakes, streams, ponds, estuaries, oceans, or public waters unless this product is specifically identified and addressed in an NPDES permit. Do not discharge effluent containing this product into sewer systems without previously notifying the sewage treatment plant authority. For guidance, contact your State Water Board or Regional Office of the Environmental Protection Agency.

Physical or Chemical Hazards

Do not use or store near heat or open flame.

DIRECTIONS FOR USE AND CONDITIONS OF SALE AND WARRANTY

IMPORTANT: Read the entire Directions for Use and the Conditions of Sale and Warranty before using this product. If terms are unacceptable, return the unopened product container at once.

Conditions of Sale and Warranty

The Directions for Use of this product reflect the opinion of experts based on field use and tests. The directions are believed to be reliable and should be followed carefully. However, it is impossible to eliminate all risks inherently associated with use of this product. Crop injury, ineffectiveness, or other unintended consequences may result because of such factors as weather conditions, presence of other materials, or the manner of use or application all of which are beyond the control of CIBA-GEIGY or the Seller. All such risks shall be assumed by the Buyer.

CIBA-GEIGY warrants that this product conforms to the chemical description on the label and is reasonably fit for the purposes referred to in the Directions for Use subject to the inherent risks referred to above. CIBA-GEIGY makes no other express or implied warranty of Fitness or Merchantability or any other express or implied warranty. In no case shall CIBA-GEIGY or the Seller be liable for consequential, special, or indirect damages resulting from the use or handling of this product. CIBA-GEIGY and the Seller offer this product, and the Buyer and user accept it, subject to the foregoing Conditions of Sale and Warranty, which may be varied only by agreement in writing signed by a duly authorized representative of CIBA-GEIGY.

No end use of this product other than formulation is intended or implied by the above Conditions of Sale and Warranty.

DIRECTIONS FOR USE

It is a violation of federal law to use this product in a manner inconsistent with its labeling.

This pesticide may be used only for the formulation of insecticides with the following use patterns:

- 1. Indoor: domestic indoor
 food/feed handling establishments
 (including food/feed areas)

 Outdoor: domestic outdoor (foundation band spray only)
- 2. Uses for which U.S. EPA has accepted the required data and/or citations of data that the formulator has submitted in support of registration, and
- 3. Uses for experimental purposes that are in compliance with U.S. EPA requirements.

CIBA-GEIGY recommends this product only for the uses cited above and makes no warranty, expressed or implied, with respect to formulator supported uses or experimental uses and disclaims all liability for damages attributable to such formulator supported and experimental uses.

Refer to "Technical Bulletin - Diazinon Insecticide" for further information on physical and chemical properties

Formulators using this product are responsible for obtaining EPA registration for their formulated products.

Storage and Disposal

Do not contaminate water, food, or feed by storage or disposal.

Do not contaminate water when disposing of equipment wash waters. Open dumping is prohibited.

Pesticide

Wastes resulting from use of this product may be disposed of on site or at an approved waste disposal facility.

Container

(Metal) - Triple rinse (or equivalent). Then offer for recycling or reconditioning, or puncture and dispose of in a sanitary landfill, or by other procedures approved by state and local authorities.
