DIRECTIONS FOR USE AND CONDITIONS OF SALE AND WARRANTY

IMPORTANT: Read the entire Directions for Use and the Conditions of Sale and Warranty before using this product. If terms are not acceptable, return the unopened product container at once.

Conditions of Sale and Warranty

The Directions for Use of this product reflect the opinion of experts based on field use and tests. The directions are believed to be reliable and should be followed carefully. However, it is impossible to eliminate all risks inherently associated with use of this product. Crop injury, ineffectiveness, or other unintended consequences may result because of such factors as weather conditions, presence of other materials, or the manner of use or application all of which are beyond the control of CIBA-GEIGY or the Seller. All such risks shall be assumed by the Buyer.

CIBA-GEIGY warrants that this product conforms to the chemical description on the label and is reasonably fit for the purposes referred to in the Directions for Use subject to the inherent risks referred to above. CIBA-GEIGY makes no other express or implied warranty of Fitness or Merchantability or any other express or implied warranty. In no case shall CIBA-GEIGY or the Seller be liable for consequential, special, or indirect damages resulting from the use or handling of this product. CIBA-GEIGY and the Seller offer this product, and the Buyer and user accept it, subject to the foregoing Conditions of Sale and Warranty, which may be varied only by agreement in writing signed by a duly authorized representative of CIBA-GEIGY.

No end use of this product other than formulation is intended or implied by the above Conditions of Sale and Warranty.

Directions for Use

It is a violation of federal law to use this product in a manner inconsistent with its labeling.

Only for formulation into an Insecticide, for (1) the following Uses(s): Non-bearing crops (apples, avocados, blueberries, carambola, citrus, guava, lychee, mangoes, mamey sapote, nectarines, peaches, pecans, plums, and West Indian cherry), pasture, rangeland or other grazed areas on horse farms (when horses are not used for human consumption) and to noncropped and nongrazed areas on the farm, lawns, turf and other non-agricultural land, ornamentals, non-bearing nursery stock, sod farms, food serving areas of food and feed handling establishments, and indoors; (2) uses for which USEPA has accepted the required data and/or

citations of data that the formulator has submitted in support of registration; and (3) uses for experimental purposes that are in compliance with USEPA requirements.

CIBA-GEIGY recommends this product only for the uses cited above and makes no warranty, expressed or implied, with respect to formulator supported uses or experimental uses and disclaims all liability for damages attributable to such formulator supported and experimental uses.

Storage and Disposal

Pesticide Disposal: Do not contaminate food or feed by storage or disposal. Wastes resulting from the use of this product may be disposed of on site or at an approved facility.

Container Disposal: Triple rinse (or equivalent). Then offer for return to manufacturer or recycle or recondition, or puncture and dispose of in a sanitary landfill or dispose of by other procedures approved by state and local authorities.

Note: For minor spills, leaks, etc., follow all precautions indicated on this label and clean up immediately. Take special care to avoid contamination of equipment and facilities during cleanup and disposal of wastes. In the event of a major spill or accident, contact CIBA-GEIGY for assistance at 1-800-888-8372 day or night.

Precautionary Statements

Hazard to Humans and Domestic Animals

CAUTION

May be harmful if swallowed. Avoid breathing dust. Avoid contact with clothing, skin or eyes.

Statement of Practical Treatment

In case of contact, flush skin or eyes with plenty of water. Get medical attention if irritation persists.

Environmental Hazards

This product is toxic to fish and aquatic invertebrates. Do not discharge effluent containing this product into lakes, streams, ponds, estuaries, oceans, or public waters unless this product is specifically identified and addressed in an NPDES permit. Do not discharge effluents containing this product into sewer system without previously notifying the sewage treatment plant authorities. For guidance, contact your state water board or regional office of the EPA.
