DIRECTIONS FOR USE AND CONDITIONS OF SALE AND WARRANTY

IMPORTANT: Read the entire **Directions for Use** and the **Conditions of Sale and Warranty** before using this product. If terms are not acceptable, return the unopened product container at once.

Conditions of Sale and Warranty

The **Directions for Use** of this product reflect the opinion of experts based on field use and tests. The directions are believed to be reliable and should be followed carefully. However, it is impossible to eliminate all risks inherently associated with use of this product. Crop injury, ineffectiveness, or other unintended consequences may result because of such factors as weather conditions, presence of other materials, or the manner of use or application all of which are beyond the control of Novartis Crop Protection, Inc. or the Seller. All such risks shall be assumed by the Buyer.

Novartis warrants that this product conforms to the chemical description on the label and is reasonably fit for the purposes referred to in the **Directions for Use** subject to the inherent risks referred to above. **Novartis makes no other express or implied warranty of Fitness or Merchantability or any other express or implied warranty. In no case shall Novartis or the Seller be liable for consequential, special, or indirect damages resulting from the use or handling of this product.** Novartis and the Seller offer this product, and the Buyer and user accept it, subject to the foregoing **Conditions of Sale and Warranty**, which may be varied only by agreement in writing signed by a duly authorized representative of Novartis.

No end use of this product other than formulation is intended or implied by the above Conditions of Sale and Warranty.

Directions for Use

It is a violation of federal law to use this product in a manner inconsistent with its labeling.

Only for formulation into an insecticide, for the following uses(s): Non-bearing crops (apples, avocados, blueberries, carambola, citrus, coffee, guava, lychee, mangoes, mamey sapote, nectarines, peaches, pecans, plums, and West Indian cherry); pasture rangeland or other grazed areas on horse farms (when horses are not used for human consumption); noncropped and nongrazed areas on the farm; lawns, turf, and other non-agricultural land; ornamentals non-bearing nursery stock; sod farms; greenhouses, hothouses, lath and shade houses.

Formulation of fenoxycarb into products for the following uses is prohibited: application to pets, in-premises and indoors except for greenhouses, hothouses, lath and shade houses.

Novartis recommends this product only for the uses cited above, and make no warranty, expressed or implied, with respect to formulator supported use or experimental uses, and disclaims all liability for damages attributable to such formulator supported and experimental uses.

Storage and Disposal

Pesticide Disposal: Do not contaminate food or feed by storage or disposal. Wastes resulting from the use of this product may be disposed of on site or at an approved facility.

Container Disposal: Triple rinse (or equivalent). Then offer for return to manufacturer or recycle or recondition, or puncture and dipose of in a sanitary landfill, or dispose of by other procedures approved by state and local authorities.

Emergency Response

For minor spills, leaks, etc., follow all precautions indicated on this label and clean up immediately. Take special care to avoid contamination of equipment and facilities during cleanup and disposal of wastes. In the event of a major spill, fire, or other emergency, call 1-800-888-8372, day or night.

Precautionary Statements

Hazards to Humans and Domestic Animals

CAUTION

May be harmful if swallowed. Avoid breathing dust. Avoid contact with clothing, skin, or eyes.

Statement of Practical Treatment

In case of contact, flush skin or eyes with plenty of water. Get medical attention if irritation persists.

Environmental Hazards

This product is toxic to fish and aquatic invertebrates. Do not discharge effluent containing this product into lakes, streams, ponds, estuaries, oceans, or other waters, unless in accordance with the requirements of a National Pollutant Discharge Elimination System (NPDES) permit and the permitting authority has been notified in writing prior to discharge. Do not discharge effluent containing this product to sewer systems without previously notifying the local sewage
