**PRECAUTIONARY STATEMENTS**

**Hazards to Humans and Domestic Animals**

**CAUTION**

May be harmful if swallowed. Avoid breathing dust. Avoid contact with clothing, skin, or eyes.

### **Environmental Hazards**

This product is toxic to fish and aquatic invertebrates. Do not discharge effluent containing this product into lakes, streams, ponds, estuaries, oceans, or other waters, unless in accordance with the requirements of a National Pollutant Discharge Elimination System (NPDES) permit and the permitting authority has been notified in writing prior to discharge. Do not discharge effluent containing this product to sewer systems without previously notifying the local sewage treatment plant authority. For guidance, contact your State Water Board or Regional Office of the EPA.

## DIRECTIONS FOR USE

It is a violation of federal law to use this product in a manner inconsistent with its labeling.

Only for formulation into an insecticide, for the following uses(s): Non-bearing crops (apples, avocados, blueberries, carambola, citrus, coffee, guava, lychee, mangoes, mamey sapote, nectarines, peaches, pecans, plums, and West Indian cherry); pasture rangeland or other grazed areas on horse farms (when horses are not used for human consumption); noncropped and nongrazed areas on the farm; lawns, turf, and other non-agricultural land; ornamentals non-bearing nursery stock; sod farms; greenhouses, hothouses, lath and shade houses.

Formulation of fenoxycarb into products for the following uses is prohibited: application to pets, in-premises and indoors except for greenhouses, hothouses, lath and shade houses.

Syngenta recommends this product only for the uses cited above, and make no warranty, expressed or implied, with respect to formulator supported use or experimental uses, and disclaims all liability for damages attributable to such formulator supported and experimental uses.

---

## STORAGE AND DISPOSAL

---

### Pesticide Disposal

Do not contaminate food or feed by storage or disposal. Wastes resulting from the use of this product may be disposed of on site or at an approved facility.

### Container Disposal

Triple rinse (or equivalent). Then offer for return to manufacturer or recycle or recondition, or puncture and dispose of in a sanitary landfill, or dispose of by other procedures approved by state and local authorities.

### Emergency Response

For minor spills, leaks, etc., follow all precautions indicated on this label and clean up immediately. Take special care to avoid contamination of equipment and facilities during cleanup and disposal of wastes.
